This agreement is designed to provide for an equitable and peaceful procedure for the resolution of differences in accordance with the grievance procedure specified herein, in order to maintain and promote a harmonious relationship between the Union and the Town and to encourage a more efficient and progressive fire service in the public interest.

## ARTICLE I

### RIGHTS AND RECOGNITION

#### Section 1.1 Recognition

The Town recognizes the Union as the exclusive representative for the purposes of collective bargaining with respect to rates of pay, hours, and other conditions of employment of its full- time members of the Fire Department engaged in firefighting, fire prevention, training, rescue, fire alarm and communication and motor vehicle equipment maintenance who are in either permanent or probationary pay status excluding, however, the Chief of the Department.

#### Section 1.2 Rules and Regulations

The Town shall retain the right to issue departmental rules and regulations, not inconsistent with the terms of this Agreement, covering the internal conduct of the Fire Department. A copy of the rules and regulations shall be furnished to each new employee. The rules and regulations may be revised from time to time by the Town Manager, the Director of Public Safety and the Fire Chief; provided, however, that Local 1651 shall have the right to consult with said Town officials concerning any proposed modification to said rules and regulations and shall have the further right to make suggestions concerning the revision of said rules and regulations.

#### Section 1.3 Management Rights

The Town shall also retain all other rights and responsibilities inherent in the Town Council, Town Manager, Director of Public Safety and the Fire Chief by virtue of existing statutory and Charter provisions and Departmental rules and regulations which are not inconsistent with the terms of this Agreement. Such rights and responsibilities shall

include, but not be limited to the responsibility for the efficient operation of the services of the department, administration of the department, discipline of its members and for the enforcement and execution of all laws, ordinances and rules and regulations of the department.

#### Section 1.4 No Strike; No Lock-Out

The Union agrees that it will not call or support any strike, work stoppage, or work slowdown against the Town that would impede the proper functioning of the Town Government at any time. The Town agrees that it will not lock out any employees at any time. Any employee engaging in such work stoppage, slowdown or strike shall be subject to IMMEDIATE DISMISSAL by the employer without any rights, whatsoever, to any of the benefits provided in this Agreement. The Union may grieve the questions of fact of the participation of an employee in such activity, but not the scope of the disciplinary action taken.

#### Section 1.5 No Discrimination

The provisions of this Agreement shall be applied equally to all employees in the bargaining unit without discrimination because of age, sex, marital status, race, color, religion, creed, national origin, political affiliation or Union membership or activities.

#### Section 1.6 Definition

Probationary employees shall be included; however, no probationary employee at the entrance level shall have access to

the grievance procedure where the issue is one of his discipline or discharge. Employees who are on leave of absence or absent for active military service shall be entitled to none of the benefits of this Agreement except to the extent that they are expressly granted eligibility for certain benefits in other Sections of this Agreement or as may otherwise be provided for by law.

#### Section 1.9 Agency Shop

All permanent members of the North Kingstown Fire Department who choose not to join Local 1651 and who are covered by the terms of this Collective Bargaining Agreement shall, however, be required to pay Local 1651 a lawful amount of money up to the initiation fee uniformly required for membership in Local 1651, and a monthly service fee up to the monthly dues charged members of Local 1651, to defray the costs in connection with Local 1651's legal obligations and responsibilities as the exclusive bargaining agent for the employees covered by this Agreement.

to the Treasurer of Local 1651. The Union will furnish to the Town the name and address of the said Treasurer. The obligation of the Town for funds actually deducted under this section shall terminate upon the turning over of the deductions so made to the person authorized by the Union to receive such amounts from the Town.

### Section 2.1 Arbitration-Grievance Procedure

It is hereby agreed by and between the Town and the Union that the following procedures are established for the purpose of resolving alleged grievances of members of the Department covered by this Agreement:

A. A 'grievance' is a complaint involving the interpretation or application of any of the provisions of this Agreement. If a member has an alleged grievance he shall take the matter to his immediate supervisor within thirty (30) days of the occurrence of said alleged grievance. If the alleged grievance cannot be resolved by his immediate supervisor within ten (10) days after consultation with the Chief of the Fire Department then the member shall have an additional ten (10) days in which to present his alleged grievance, in writing, to the Executive Committee of the Union.

B. The Executive Committee, within ten (10) days of receipt of the alleged grievance shall make provision for the member to present said alleged grievance at a meeting of a majority of the Executive Committee. It shall be the responsibility of the Executive Committee to determine the justification of the complaint. If, in the judgment of the Executive Committee, the nature of the grievance justifies further action, said Committee shall, within seven (7) days of the date they review the grievance, bring it to the attention of, first, the Director of Public Safety, and then, the Town Manager. (This involves separate actions in the event the Director of Public Safety and the Town Manager are not one and the same.)

C. The Director of Public Safety shall meet with the Executive Committee of the Union within ten (10) days after the alleged grievance is brought to their attention. If

either the Committee or the Director of Public Safety deem it necessary the grievant shall be ordered to appear for the purpose of presenting testimony relative to the grievance.

D. If the Union is aggrieved by the decision of the Director of Public Safety it may, within ten (10) days after the date of the decision, present the grievance to the Town Manager if he is a person other than the Director of Public Safety. The decision of the Town Manager, in such circumstance shall be rendered to the Union within ten (10) days after presentation of the grievance to the Town Manager.

E. In addition to the above, the Union shall have the right to bring a grievance on behalf of any employee at his request or on its own behalf.

F. If agreement cannot be reached via the procedures set forth above on any grievance also involving suspension, demotion, or discharge of an employee, the grievance may be submitted to arbitration by either party by giving to the other written notice of its intention thereof within ten (10) days following the decision of the Town Manager herein before referred to.

The parties shall endeavor to select an impartial arbitrator by mutual agreement; but in the absence of such agreement within ten (10) days after receipt of such notice, the matter shall be referred to the American Arbitration Association for selection of an arbitrator and arbitration proceedings in accordance with its Voluntary Labor Arbitration Rules. The arbitrator shall have no power to add to, subtract from or change the terms of the contract. He shall be confined solely to the interpretation and application of the terms of this contract. The fees and expenses of the impartial arbitrator shall be borne equally by both parties. The decision of the Arbitrator shall be final and binding on both parties, and the expenses of the Arbitrator shall be shared equally by the parties hereto.

G. All references to "days" in this Section 2.1 shall mean calendar days.

Section 2.2 One Grievance

Except as otherwise mutually agreed, an arbitrator selected according to the foregoing procedures shall hear and decide one grievance and one grievance only.

Nothing shall prevent the parties from selecting the same arbitrator on a subsequent occasion.
