TOWN OF LINCOLN
BARGAINING AGREEMENT
LOCAL 435
INTERNATIONAL BROTHERHOOD OF POLICE OFFICERS
2015/2018

Pursuant to the provisions of Title 28, Chapter 9.2 of the Rhode Island General Laws entitled "Municipal Police Arbitration Act" this Agreement is made and entered into as of the first day of July, 2015 A.D. by and between the Town of Lincoln (hereinafter "Town" or "Employer") and Local 435, INTERNATIONAL BROTHERHOOD OF POLICE OFFICERS (hereafter called "Local 435" or "Union"). In consideration of the mutual promises hereinafter stated, the parties agree as follows:

PREAMBLE

Pursuant to the provisions of Title 28, Chapter 9.2 of the Rhode Island General Laws entitled "Municipal Police Arbitration Act" the Town recognizes that the full time policemen of the Town have the statutory right to bargain collectively with the Town and to be represented by an organization in such collective bargaining as to wages, hours, rates of pay, working conditions and other terms and conditions of employment.

Nothing herein contained shall be construed to limit the right of the Town to regulate, manage and control the Police Department of the Town except as modified by the terms of this contract and except as specifically directed by said Title 28, Chapter 9.2 of the Rhode Island General Laws, reference to which has previously been made. This Agreement is subject to the provisions of said Title 28, Chapter 9.2 of the Rhode Island General Laws, wherein the full time policemen who are subject to its terms shall have no right to engage in any work stoppage, slowdown or strike.

The words "member", "member of the bargaining unit", "employee", "officer", "patrol officer", "personnel" and/or "police officer" (or the plurals thereof) when used in this Agreement shall mean all of the active, full time officers of the Police Department, excluding however, those officers holding the position or rank of Chief of Police.

All references to an employee covered by this Agreement as well as use of the pronoun "he" are intended to include both genders. When the male gender is used, it shall be construed to include male and female officers and gender neutral in intent.

ARTICLE I

Section I. Recognition

The Town recognizes Local 435 as exclusive bargaining agent for all active full time police officers from the rank of patrol officer, inspector, sergeant, lieutenant and deputy chief of police, for the purpose of collective bargaining and entering into agreements relative to wages, salaries, hours, working conditions and other terms and conditions of employment.

The right of the Town and employees of the Police Department shall be respected and the provisions of the Agreement shall be observed for the orderly settlement of all questions.

Section 2. Employment Security

The Town agrees not to discharge or discriminate in any way against any employee of the Police Department for membership or legitimate activities in the Local 435. The Town and the IBPO further agree that there will be no discrimination against any employee for declining membership or refraining from engaging in any activities of the IBPO protected by the Rhode Island State Labor Relations Act.

Full time probationary police officers shall not have the right to grieve or arbitrate the imposition of any form or measure of discipline or their dismissal from employment during the term of their probationary period.

Local 435 acknowledges that police officer trainees are not members of the bargaining unit. Therefore, Local 435 agrees that the Town may require each police officer trainee to enter into a so called Police Officer Trainee Agreement, Acknowledgment and Acceptance of Appointment ("Trainee Agreement") upon such terms and conditions as set forth in Exhibit A attached hereto and incorporated by reference hereon. Local 435 acknowledges and agrees that the Trainee Agreement is a valid, independent and enforceable pre-hire contractual obligation of police officers which survives this Agreement and remains enforceable after a police officer trainee becomes a member of the bargaining unit represented by Local 435. Additionally, Local 435 agrees that the Town may set off any funds which may be otherwise due a police officer upon his separation from employment to satisfy the officer's financial obligation to the Town under the Trainee Agreement. As part of the Trainee Agreement, a police officer trainee shall sign a payroll deduction form authorizing the Town to deduct such available funds as may be necessary to satisfy the officer's financial obligations to the Town under the Trainee Agreement. The obligations hereunder are individual to the officer and not to be borne by the IBPO. It is understood that in accordance with Exhibit A, its paragraph F shall not apply in the following conditions: (1) Termination by the Town with or without cause; (2) Termination by an officer who does not seek or obtain employment in law enforcement for a period of three (3) years from the date of his appointment. Provided however, that this provision shall not operate or be construed as a bar or limitation against the Town from enforcing its rights under the Trainee Agreement and provided further, that the terminated officer shall make full disclosure of his post-termination employment.

Section 3. Time Off for Bargaining

All employees covered by this Agreement who are officers of Local 435 or who are appointed by Local 435 as members of the collective bargaining negotiating committee, up to a maximum of two (2), shall be allowed time off for official Union business for negotiations and/or conferences with the Town Administration when such business is reasonably required to be conducted during working hours, without being required to make up such time. All such business shall be scheduled with the approval of the Chief of Police and it is further agreed that officers of the Lodge and members of the collective bargaining negotiating committee shall endeavor to schedule official Lodge business during their off-duty hour.

ARTICLE II

Section 1. Management Rights

The Town shall retain all other rights and responsibilities inherent in the Town Council and the Chief of Police by virtue of statutory and charter provisions and departmental rules and regulations which are not inconsistent with the terms of this Agreement. No provision of this Agreement shall be applied or construed to limit, impede, or abridge any of the Town's lawful authority or obligations.

Additionally, except to the extent there is contained in this Agreement express and specific provisions to the contrary, all authority, power, rights, jurisdiction and responsibilities for the efficient and effective management and direction of the officers and others employed by the Police Department are vested, retained and reserved exclusively to the Town. Further, all rights which ordinarily vest in and are exercised by employers, except such as are specifically relinquished herein, are reserved and remain vested in the Town. These rights include but are not limited to: (a) directing the work of police officers; (b) determining the mission of the Police Department and its personnel, methods, means and procedures necessary to most efficiently fulfill that mission; (c) disciplining officers consistent with the Law Enforcement Officers' Bill of Rights; (d) implementing a reduction in force based on economic or operational reasons; and (e) determining the methods, means, processes and personnel by which public safety and law enforcement functions are to be conducted.

The terms of this Article shall not be construed as a waiver of the bargaining rights of the IBPO as they may pertain to unilateral changes which may take place during the term of this Agreement.

ARTICLE III

Section 1. Seniority

(a) Seniority for the purpose of the Lincoln Police Department shall, for the purpose of this Agreement, be computed according to continued service in each rank except patrol officer, where seniority shall be computed in accordance to continuous service from the date of appointment by the Town. In those cases where one or more officers are sworn in on the same day, the final score using the criteria of the Municipal Police Training School shall be the determining factor. Seniority between ranks will be in accordance with chain of command, highest ranking member having seniority over lesser rank.

(b) In all applications of seniority, except those mentioned in l(d) and Article VI Sections 2 and 3, in the department, the ability of the employee shall mean the qualifications and abilities, (including physical fitness) of a member to perform the required work. Where skill, ability, and qualifications to perform the required work are among the employees concerned, equal, seniority as defined in Section l(a) above shall govern.

(c) All employees in the uniform division shall be permitted to choose their working shifts by length of service when consistent with the efficient operation of the police department.
