# HealthMate Coast-to-Coast

100/80 \$4,000  
Coinsurance Plan

## Understanding Your Benefits

### ■ **Deductibles**

You pay the following amounts each year before your health plan starts to pay toward the cost of covered services:

- \$4,000 per individual plan;  
\$8,000 per family plan in network
- \$8,000 per individual plan;  
\$16,000 per family plan out of network
- The deductible has a hybrid calculation which means that all deductible amounts paid count toward the family deductible, but the individual will never pay more than their individual deductible amount.

### ■ **Out-of-pocket Limits**

The following is the maximum you would pay out of pocket for essential health benefits each year (including medical and pharmacy copayments, deductibles and coinsurance).

- \$6,850 per individual plan;  
\$13,700 per family plan in network
- \$13,700 per individual plan;  
\$27,400 per family plan out of network
- The out-of-pocket limit has a hybrid calculation which means that all out-of-pocket amounts paid count toward the family out-of-pocket limit, but the individual will never pay more than their individual out-of-pocket limit.

### ■ **Please note:**

The deductible and out-of-pocket limits are separate for in-network and out-of-network
