The parties agree that any and all other employees of the Police Department shall not be included in the bargaining unit. Provided, however, the parties agree that the senior dispatcher occupying the dispatchers' position within the Police Department as of February 1, 1993 shall remain a part of the Police bargaining unit. The Town will not displace anyone from a permanent police position and replace him/her with a dispatcher. The parties agree that policies, practices and procedures with respect to dispatchers as they fit within the department, especially those concerning vacations, shall remain unchanged. The parties further agree to meet to discuss and to put into writing by September 1, 1993 such manner in which dispatchers fit within the department.

The words, "member", "members of the bargaining unit", "employee", "officer" "patrol officer", "personnel", and/or "police officer" (or plurals thereof) when used in this Agreement shall mean all the officers described in the preceding paragraph.

All members of the bargaining unit shall have the right to voluntarily join or refrain from joining the Union. All members of the bargaining unit who choose not to join the Union, however, and who are covered by the terms of this Agreement, shall be required to pay an initial service fee and monthly service fees to the Union for the purpose of aiding the Union in defraying costs in connection with its legal obligations and responsibilities as the exclusive bargaining agent of the members of the bargaining unit.

The aforesaid fees shall be payable on or before the first day of each month, and said sums shall in no case exceed the initiation fees and the membership dues paid by those who voluntarily choose to join the Union. Other than the payment of these services fees, the members of the bargaining unit who do not choose to join the Union shall be under no further financial obligations or requirements of any kind to the Union. It shall be a condition of employment that all individuals covered by this Agreement shall, on the 30th day of this Agreement, or the first day of this month, whichever is later, pay lawful established initial and monthly service fees as shown above.

Section 3 - Dues Deduction.

The Town shall deduct Union dues and fees upon receipt of authorization from the members of the Union who sign deduction form cards to be supplied by the Union. The Town shall forward to the I.B.P.O, 159 Burgin Parkway, Quincy, MA 02169, the monies so deducted. In the same manner, the Town shall deduct the service fees of employees choosing not to join the Union, provided that the Union notifies the Town in writing of the percentage of dues and fees of Union members that is properly to be deducted on behalf of non-members.

Section 4 - Indemnification.

The Union agrees to indemnify and hold the Town harmless against any and all claims, suits, orders and judgments brought or issued against the Town as a result of any action taken by the Town under the provisions of this Article.

Section 5 - Definitions.

Whenever used in this Agreement, the terms ‘all Permanent Police Officers’, ‘employee’ and ‘member’ shall have the same meaning: all full - time, permanent, paid police officers of the Town of Jamestown who are on the active payroll whether due to active service, vacation, or paid sick leave. Employees who are otherwise on leave of absence, retired, or absent for active military service shall be entitled to none of the benefits of this Agreement except to the extent they are expressly granted eligibility for certain benefits, by express reference, in other sections of this Agreement or as may otherwise be provided for by law.

Section 2 - Management Rights.

Except as specifically relinquished by the express terms of this Agreement, all discretion and rights to manage, direct or supervise the operations of the Police Department and its employees are vested solely in the Town. And notwithstanding any other provision of this Agreement, the Town retains the right to take any reasonable action in emergency situations, such as natural disasters, to protect the public interest, even if such action is contrary to the express terms of this Agreement.

ARTICLE III

Section 1 - Permanent Police Department.

It is hereby agreed upon by both parties that Chapter 73 of the Public Laws, passed at the 1958 January Session of the General Assembly and an Ordinance in effect at this time, both of which established a permanent police force in the Town of Jamestown, shall remain in effect, as they now read, regardless of any further change in the form of government in the Town of Jamestown. It is further agreed that said Chapter 73 of said Ordinance shall not be changed or revoked in any manner without the consent of the Chief of Police and a representative appointed by Local 305, International Brotherhood of Police Officers.

Section 2 - Duties.

The duties for members of this bargaining unit of the Jamestown Police Department shall be the prevention of crime and the enforcement of the State Laws and Town Ordinances, and the Departmental Rules and Regulations, and such other related duties as may be assigned by the Chief of Police or Town Administrator from time to time; but nothing shall be deemed to abrogate the power of the Town Council to vary the organizational structure of the Police Department.

Section 3 - Detail to other Departments Prohibited.

The town of Jamestown agrees that employees of the Jamestown Police Department whose duties are defined in Article III, Section 2, shall not be detailed to other departments of the Town except in emergency situations. The detail from one unit to another within the Police Department shall be the responsibility of the Chief of Police except to the extent expressly limited by specific terms of the seniority provisions of this Agreement.

It is expressly understood by both parties hereto that the maintenance and upkeep of police vehicles and the Headquarters Building, with the exception of removal of trash generated during the shift are not within the scope of police duties; and it is further understood that no police officer shall be ordered to perform such duties.

ARTICLE IV

Section 1 - Seniority.

The Permanent Police Officers shall have seniority rights and said seniority, insofar as practicable shall prevail with regards to the following:

- (a) Shifts (but not Groups), holidays, vacations, overtime less than eight hours, extra duty of any nature; however, a senior officer may reject the right or benefit at his/her discretion without the need of any explanation on their part. Further, in the event that an employee shall reject the right or benefit, it shall not be construed as a waiver of his/her seniority rights in any subsequent situation where seniority would prevail.
- (b) The order of seniority within the bargaining unit shall be determined from the date of appointment to his/her respective rank. Regarding any future appointments to the Police Department, seniority shall be determined, if more than one (1) is appointed at the same time, by the highest to lowest ranking at the Rhode Island Municipal Police Training Academy. Seniority in the ranks is applicable for the purposes of bidding for applicable positions within the ranks, vacation, compensatory time, and personal time. In addition to seniority within the ranks, each officer shall have overall seniority based upon his/her date of appointment to the Jamestown Police Department. This seniority shall be applicable to all regular overtime that is not rank-specific, overtime of less-than eight (8) hours, extra duty and details of any nature.
- (c) Within thirty (30) days after the execution of this Agreement, the Town shall furnish the Union and the Police Department a copy of the proposed seniority lists and the Union and/or the Police Department will have thirty (30) days in which to make any changes or corrections in said list and signify their approval thereof. After order of seniority has been approved by all parties thereto, a permanent and up-to-date list shall be posted and maintained on a bulletin board at Police Headquarters for the benefit of all police officers and all future seniority questions shall be resolved in accordance therewith. The Union also agrees to furnish to the Town an up-to-date seniority list, a copy of which is also to be posted on said bulletin board.
- (d) All training classes, schools and job responsibilities available to the Department and which will be funded by the Town shall be posted whenever practical at least one month prior to the beginning of the class. Interested officers may apply for the school or job responsibility. The Chief, Lieutenant and Training Officer will review all applications. It is the intention of the Department to provide training, education and new responsibilities in a way that will:
 - (a) Increase the professionalism of all officers.
 - (b) Fairly distribute these opportunities throughout the Department.

(A posted list will be maintained showing all schools, training, etc. and who attended.)

Employees will be selected to attend said course, schooling, etc. so as to insure the greatest potential benefit to the Department and the Town. The Chief shall make the final determination as to who shall attend. Once an employee has attended a school, training classes, etc., he/she will not be asked to attend the same school, training class, etc., except in circumstances where annual recertification is required or where the subsequent school or training class, etc. is an advanced course, for a period of five (5) years, unless all other officers have been asked to attend and they have refused.

A school is defined as an institution or place for instruction or education.

- (a) As of March 1, 1976, the regular work schedule for all members of the bargaining unit shall be six (6) day cycles of four (4) consecutive working days of eight (8) hours followed by two (2) consecutive days off. This will be referred to as a permanent shift and filled in accordance to Section 1(a) and (b) permanent shifts.
- (c) In the event the fourth shift is not filled, no member of the Police Department already assigned to a permanent shift will be forced to fill the shift.
- (d) Effective March 1, 2007 there shall be a minimum of three (3) personnel of the Police Department on duty during all shifts throughout the year. Minimum staffing for the day shift shall become effective on September 1, 2007. No less than two (2) patrol officers will be assigned on patrol each shift. For the purposes of this minimum manning requirement, the Chief of Police, Detective(s), and the Patrol Commander cannot be included to fulfill this staffing requirement.
- (e) All members of the bargaining unit of the Jamestown Police Department shall be prepared for duty at the beginning of their shift.
- (f) No member of the bargaining unit shall work more than sixteen (16) hours in a twenty-four (24) hour period. Off duty employment shall not be considered as part of the sixteen (16) hours, however all employees understand that their principal employment responsibility is as a police officer with the Town of Jamestown and they will arrange their off-hour or second jobs accordingly.

(g) Interpretation.

The members' work schedule would normally consist of four (4) weeks of forty (40) hours and two (2) weeks of thirty-two (32) hours.

(h) Permanent Shifts.

All shift assignment shall be on a permanent basis and all Permanent Police Officers of the Jamestown Police Department shall have preference of shift assignments in accordance with seniority.

All members that are in mutual agreement may exchange shifts during the contract year, with the approval of the Chief of Police, said exchange shall be for no less than four (4) months.

In either case shifts may only be exchanged with persons of equal rank. Under no circumstances shall shift exchanges exceed six (6) months.

It is understood that the Lieutenant's position, as second in command, is an Administrative position, and as such, the Lieutenant shall work an administrative schedule of working Monday through Friday with weekends off. To compensate for the administrative schedule, the Lieutenant shall work two (2) cycles of Monday through Friday followed by a third cycle of Monday through Thursday, with Friday, Saturday, and Sunday off. It is further understood that the Lieutenant shall not be counted as one of the three (3) personnel required to be on duty at all times. The Town agrees to create an additional Sergeant's position on the day shift. This new position shall become effective on September 1, 2007.

(i) Superior Officer.

General supervision over each of the three (3) shifts shall be the responsibility of a superior officer. He/she shall hold the rank of Lieutenant or Sergeant. A superior officer shall be responsible for the shift at all times. The lack of his/her physical presence does not relieve the superior of his/her general supervisory responsibilities. The superior officer of each shift shall be compensated at the rate of twenty-five cents (\$.25) per hour to be included in his/her base pay, for a thirty-seven and one-third (37 1/3) hour work week.

Section 2 - Substitutions.

The right of employees to substitute working hours shall be permitted, provided however, that the permission to substitute shall be obtained from, and approved by the Chief, Lieutenant or

Sergeant before such substitution can take place and provided it does not result directly or indirectly in payment of overtime wages, out of rank pay or any other premium to any employee. There should be no limit on the number of substitutions taken by an employee and substitution of a partial shift will be allowed. The officer requesting the full or partial substitution must return the work for his replacement within two (2) weeks of the date of the initial substitution. Failure of the substituting officer to complete the substitution because he or she called in sick will result in that officer, who failed to make the substitution being charged sick time for the shifts he or she was to have worked.

Substitutions of two consecutive days will be allowed. These substitutions are limited to two requests per year per person. Substitutions will be charged to the individual officer making the substitution request.

(a.) Substitutions shall be made between officers of equal rank only.

ARTICLE VI

Section 1 - Vacancies.

Vacancies in the Jamestown Police Department will be filled by personnel who are recommended by the Chief of Police and appointed by the Town Administrator upon recommendation. Members of the bargaining unit shall give sixty (60) days prior to resignation or retirement. All vacancies will be filled within two hundred seventy (270) days of this notice of resignation or retirement.

For employees hired after February 28, 1996, failure to give sixty (60) days notice will result in the loss of one (1) day of vacation for each day less than sixty (60) days of notice that is provided, or in the event the Officer has not accumulated sixty (60) days vacation, then the Officer's accumulated sick leave will be reduced by two (2) days for every day of lack of notice.

Section 2 - Temporary Service Out of Rank.

Permanent Police Officers of the Jamestown Police Department who are required to assume the responsibilities of a higher rank shall be compensated for this service at the same rate of pay as the officer for whom they are filling in, providing such service is for a period of more than five (5) working days. Such rate of pay shall apply for all time spent at the higher rank.

Any officer assuming the responsibility of a higher rank shall be appointed to the position by the officer's position on the promotional list, and any officer selected to assume the higher rank shall have the option of refusing or accepting the assignment within three (3) days of the time when such position is to be filled.

All said details will have a four (4) hour minimum and all regular Permanent Police Officers will have first choice of the details on a seniority basis.

- (c) For the purpose of this section, special detail shall be defined as any function outside the officer's normal work schedule in which an individual, corporation, person or organization requests a Police officer or Officers for a specific function. The Chief may meet the requirements of all special details by assignment of off duty police officers or by assignment of special or probationary officers in accordance with seniority. Officers may not be ordered into ~~non-Town~~ details with less than forty-eight (48) hours notice, unless

the Chief of Police deems that it is in the best interest of public safety, and if so, an officer may be ordered into the detail. If an officer has signed up for a detail, and then calls in sick for that detail, the Chief of Police may assign another officer to the detail.

~~(d) Non-Town Details.~~

~~It is expressly understood by the parties that hours worked on special (non-Town) details shall be counted in determining the number of hours worked. The opportunity to work special details shall be offered, by seniority, except in the case of emergency, and officers performing such work shall be required to wear the prescribed uniform.~~

- (e) For the purpose of this section, the so-called 'Speeding and Drunk Driving Detail' shall be considered as regular overtime. When a senior officer volunteers for or is ordered into work the Speeding and Drunk Driving Detail, he/she shall work the detail.
- (f) Whenever an officer signs up or is assigned a special ~~Town~~ Detail, he/she is required to work that detail and not regular duty, whereby the junior duty officer would be required to work the detail.
- (g) When a special ~~Town~~ Detail is authorized as a result of funding received from State or Federal grants for the purpose of combating criminal violations, in which a pay rate level is established by the grant, the Town is not required to pay a higher rate unless the officer is ordered into the detail and if his or her rate of pay is greater than that which the grant provides, then in that event the town shall pay the difference between the two rates.
 - 1. The Town agrees that when such details have a rate restriction, the rate restriction, will be included in the posting of the detail.
- (h) All medical, hospital and insurance benefits shall remain in effect while working special details in accordance with 45-19-1 of the Rhode Island General Laws, 1956, as amended, and as defined in this Agreement between Local 305, IBPO and the Town of Jamestown during the current Agreement.
- (i) The Chief of Police is authorized to detail police personnel and to require payment of an hourly amount in accordance with the contract between the Jamestown Police Department and the Town and which amount shall be due and payable upon receipt of the money from the contractor involved, whenever construction of, improvement of, or installation of any utility on a state highway within the Town shall in the opinion of the Chief of Police cause disruption of the normal flow of traffic and create a hazard to motorists. The Chief may, if he determines police personnel are necessary to regulate the traffic, after notifying the contractor involved, detail the number of police personnel that the Chief deems necessary to ensure the safety of motorists and the safety of employees working upon the highway and the contractor shall be responsible for the cost of the detail. The Town of Jamestown shall not be responsible for providing the detail where the State or the contractor refuses to pay for said service.

Whenever a private contractor performs work on a state road or major town road causes traffic to change lanes or close the road, there shall be a detail officer who will be paid at the detail rate of pay to the extent it is not inconsistent with state law. Whenever the Town of Jamestown works on a state road or major town road causing a lane change or road closure, there shall be a detail officer, paid at the officer's overtime rate of pay. It is not the intent of the Union to cause a contractor or the Town to put a police officer on a detail of projects of short duration, such as filling potholes, repairing wires, etc.

Section 3 – Definitions:

~~(a) Non-Town Detail: A Non-Town Detail shall be defined as any function outside the Officer's normal work schedule in which an individual, corporation, person or organization requests and pays for or reimburses the Town of Jamestown for a Police Officer or Officers for a specific function.~~

~~(b) Town Detail: A Town detail shall be defined as any specific function or event in which the Town of Jamestown requires additional Police presence, covered by Police outside their normal scheduled work hours, and the Town of Jamestown is not being reimbursed by any individual, corporation, person or organization.~~

1. The Parties agree, however, that the Special Olympics' Penguin Plunge on New Year's Day shall continue to be treated as if it were a Non-Town Detail.

Section 4 - Call Back Pay:

All permanent members of the bargaining unit who are called back to duty at a time not contiguous to a shift shall be compensated for at least four (4) hours minimum. The pay for this time shall be at the overtime rate of pay. At the discretion of the Shift Commander, all employees called back to work under this Section shall be required to stay on duty only until the reason he/she was called back to work has been completed. The exception to this shall be as outlined in subsections (a) and (b) of this Section.

(a) All Police Officers of the Jamestown Police Department shall receive (1) additional days pay: (8) hours pay at his/her regular rate of pay while qualifying at the pistol range provided that the officer is not on duty at the time of qualification. If an officer fails to qualify for any reason, subsequent qualifying rounds will be scheduled on his/her own time at the convenience of the Range officer.

(b) Upon successful completion of Breath Testing training, the Police Officer has an ongoing obligation to remain certified. The Town will compensate all off duty Police Officers of the Jamestown Police Department four (4) hours minimum pay annually at their overtime rate of pay while certifying on the Breath Testing. If an officer fails to certify for any reason, subsequent certification shall be scheduled on his/her own time. All Officers must remain certified on the Breath Testing.

- (c) The Town of Jamestown agrees to send Supervisors for management training within one (1) year of promotion, unless it can be shown that the newly promoted supervisor has already attended that training. Attendance by all Supervisors is mandatory.
- (d) Whenever a member of the bargaining unit is called back to duty for any reason, and an emergency develops within the Department that requires the officer's assistance for that emergency, beyond the time when he or she would have completed the task for which he or she had originally been called back to duty, the shift supervisor or the officer-in-charge on duty may require that the officer remain on duty until he or she is no longer needed to assist with the emergency. The Town recognizes that it is not the intent to hold an officer over past his or her original reason for call back duty unless there is an articulable, definable emergency. Emergency is defined as a sudden unforeseen occurrence or condition; exigency; pressing necessity.

Section 5 - Court Time and RITT Hearings.

Any time a member of the bargaining unit is required to attend court or RITT (Rhode Island Traffic Tribunal) hearing on his/her off-duty time, he/she shall be paid at the rate of time and one-half (1 1/2) his/her regular rate of pay, with a four (4) hour minimum.

For the purposes of Article V, Section 1(f), only actual Court time and travel time will be considered as part of the sixteen (16) hours. (Legitimate travel time: 1/2 hour to and from Newport, 1 hour to and from Cranston.)

When the Police Chief receives notification of a scheduled RITT hearing he will notify the officer involved of the hearing date and whether or not he intends to send the officer to the hearing. At that time the officer may discuss with the Chief his/her reasons for wanting to attend and the Chief will consider the officer's reasoning. If the Chief determines that the officer should attend, then the officer must attend.

If the Chief determines that the Department will not pursue the violation at the RITT hearing, then the matter is ended and the Chief's decision is not subject to the contract grievance procedure. The officer will receive four hours minimum overtime pay for attendance at RITT hearings.

At such time as the Town establishes a Municipal Court the Union and Town agree to re-open discussions on the logistics of sending officers to this court.

Section 6 - Travel Expenses.

All members of the Jamestown Police Department shall receive IRS rate per mile, or shall be allowed to gas their private vehicles at the Town gas pumps when said private vehicle is used for departmental business. Department business would include Police meetings, schools, seminars, training classes, range, clothing purchase, etc. All officers traveling overnight to attend an event or school authorized by the Chief shall be reimbursed a per diem rate of \$35.00 for meals and expenses not included in the program. The officer shall submit receipts for town accounting purposes. Lodging shall be booked and paid for by the Town.

ARTICLE VIII

Section 1 - Compensatory Time:

All employees may take compensatory time off instead of being paid for overtime hours worked. Compensatory time shall be received at the rate one and one-half (1 ½) for overtime worked. Compensatory time normally will be taken eight (8) hours at a time. Effective March 1, 2007 the Town agrees to allow employees to take compensatory time of less than eight (8) hours, but not more than four (4) hours, at a time, provided the partial shift compensatory time does not create overtime or violate any other terms of this Agreement. Compensatory time shall be requested thirty (30) days before the start of the shift requested, if the request is for three (3) days or more. Compensatory time for two (2) days or less may be taken with seven (7) days notice, submitted before the start of the shift. An officer cannot be bumped from his/her compensatory time if the request was submitted at least thirty (30) days in advance.

Compensatory time may be accumulated up to a maximum of ninety-six (96) hours. Only forty-eight (48) hours per fiscal year may cause overtime. **For the purposes of this section, the determination of whether the use of compensatory time causes overtime will be made at the time the request is submitted. Any overtime that is created after a compensatory time request has been requested and approved shall not count towards that officer's forty-eight (48) hour limit.**

It is agreed that vacation and personal days shall have priority over compensatory time **that has not been locked in.**

Upon death or retirement from the Police Department, the employee or his/her estate shall be allowed to sell back to the Town all unused compensatory time.

ARTICLE IX

In addition to the above holidays, any 'Special Holiday' as declared by the President of the United States, shall be considered as a holiday for the purposes of this Section. Employees of the Jamestown Police Department shall receive holiday pay for the 'Special Holiday' as outlined above for regular holidays.

A 'Special Holiday' shall be considered a 'one-time holiday' and not one that is celebrated on an annual basis.

Said employees shall have the option of taking the holiday off without extra pay, at the discretion of the Chief of Police.

(b) If an employee is required to work overtime on New Years Day, Thanksgiving or Christmas he/she shall receive double time one-half (2 1/2) plus holiday pay. For the purposes of this provision, Christmas Day shall commence 3:00 p.m. December 24th and end at 11:00 p.m. on December 25th. New Years Day shall commence 3:00 p.m. December 31st and end at 11:00 p.m. on January 1st.

(c) Personal Days:

There shall be five (5) paid personal days for each employee of the Jamestown Police Department. These personal days may be carried over to the next fiscal year with a two (2) year maximum accumulation which equals ten (10) days. All employees will be allowed to take their personal days off at their request. Three (3) personal days per year may be taken with a minimum of four (4) hours notice if a replacement is available. The term 'available' as used in the Agreement shall mean able to be reached by telephone and ready and able to report to work.

In addition to the above paid personal days, an employee of the Jamestown Police Department who does not use any sick leave for a period of three (3) consecutive months, shall receive one (1) paid personal day. The employee may accumulate a maximum of four (4) paid personal days per year in this manner. The three (3) months periods would start at the beginning of the fiscal year and run consecutively thereafter.

All personal days may be carried over to the next fiscal year with a two (2) year maximum accumulation.

Section 3 - Time Off While Performing Union Duties:

All employees covered by this Agreement who are officers of Local 305 shall be allowed time off for official Union business with the Town, with pay and without requirement to make up said time, if there is sufficient manpower available to cover for said employees as determined by the Chief of Police. The Town will not pay for any union business conducted outside the officer's scheduled shift.

Section 4 – Time Off

No more than two (2) officers per shift shall be allowed off at the same time. One (1) supervisor and one (1) patrol officer assigned to the same shift may be off at the same time, provided however that no more than three (3) supervisors may be off at the same time. The Chief of Police may restrict the number of supervisors off because of certain holidays or special events. In the event that a supervisor has not requested time off in accordance with Section 1 (a) – Vacations, then two (2) patrol officers assigned to that shift may be off at the same time. It is understood by

the parties that the Chief of Police, Lieutenant, and Detective work administrative schedules and are not included for the purposes of this section.

ARTICLE X

Section 1 - Sick Leave:

- (a) All employees will be allowed eighteen (18) days of accumulation of sick leave per fiscal year, of which eight (8) days, may be used without a doctor's certificate and with no loss of pay. Of the remaining ten (10) days and any accumulation brought forward from past years, the employee will be required to present a doctor's certificate to the Chief of Police stating the date of the visit. If the employee fails to provide a signed statement by a physician licensed by the State to practice medicine, he/she will forfeit his/her pay for the sick time taken, not to exceed eight (8) hours pay. If he/she produces a doctor's certificate he/she will be paid for all sick leave days covered by the doctor's certificate.

Five (5) days of existing sick leave allocation may be used for 'family sick time.' 'Family sick time' is defined as absence for the purpose of attendance upon members of the employee's family (not necessarily within the household of the employee) whose illness requires the care of such employee. Any sick time used as 'family sick time' shall count towards the eight (8) days of sick leave allowed per fiscal year without the need to present a doctor's certificate, as set forth herein in the preceding paragraph. For the purpose of this section 'family sick time' is defined as that time used to care for a spouse, child, parent, or domestic partner.

Required doctor's certificates need not state the nature of officer's illness, but shall set forth the date of the visit to the doctor, provided further, however, all employees must notify the Police Chief in writing immediately of any injury or illness, physical or psychological, that may in any way impair the officers ability to function as a police officer as outlined in the Department's essential job function for a police officer, or any type of injury that may affect the officer's ability to function as a police officer. The Chief of Police may require:

1. The officer to undergo an Independent Medical Examination (IME) whenever he believes that an illness or injury may affect the officer's ability to function as a police officer at that time or in the future, regardless of whether or not the injury or illness was job related.
2. If an officer is ordered to undergo an IME, the officer shall release all requested medical records to the IME physician and to the Town of Jamestown, which will become part of the officer's permanent records.
3. Any time an officer is required to undergo an IME and the IME takes place on the officer's day off, he or she shall be paid at the four (4) hours contractual minimum call-back rate of pay.

4. Any time an officer is scheduled for an IME by the Town, and the IME takes place after the officer has been cleared by his or her physician to return to work, and the IME physician concurs as to when the officer should have returned to duty, then no time shall be lost by the officer.
5. If the IME physician does not clear the officer to return to duty, the officer will remain on sick leave until such time as the IME physician determines that the officer can return to duty and perform the essential job functions.
6. An officer shall be reimbursed for any lost details and/or overtime opportunities lost as a result of being placed on sick leave by the Town after being cleared by his/her own physician and the IME physician subsequently concurs that the officer should have been cleared.
7. The formula for determining 'lost details and/or overtime opportunities lost' for the individual officer is:
 - (a) The average number of details/overtime hours actually worked per week, calculated over the previous twelve (12) month calendar period, times the number of weeks, or fractions thereof, that the officer was ordered out on sick leave by the Town.
 - (b) Once this average amount of time per week is determined, and agreed to by the Town and the Union, the officer shall receive detail/overtime pay at the rate set fourth in the contract.
- (b) Anytime an employee or spouse gives birth to or adopts a new baby, he/she shall be allowed to use up to fifteen (15) consecutive work days as parental leave.
- (c) Sick leave shall be on a cumulative basis and shall be allowed to accumulate from one fiscal period to another for all unused days with no maximum accumulation. All employees hired after March 1, 1993 shall be entitled to accumulate up to 165 days of sick leave.
- (d) Any and all sick leave time accumulated up to the date of acceptance of this contract shall be credited to each officer and shall not be lost.
- (e) Upon retirement or death of an employee, the employee or his/her estate shall be entitled to a cash payment amounting to one-half (1/2) of his/her accrued unused sick leave at his/her regular rate of pay.
- (f) The Town will establish a retirement account, as heretofore, for each member of the bargaining unit. The funding will be voluntary, at the discretion of the employee, and will be based upon the following formula.
 - (a) If the employee wishes, the Town will purchase a maximum of five (5) sick days

in each fiscal year. The purchase cost will be the employee's base hourly rate times eight (8) hours for each day purchased. The purchase will occur at the end of the fiscal year, and will be reflected in the employee's paycheck during the first pay check of the next fiscal year.

- (b) The Town will invest this money in an account with Washington Trust with three different plans available to employees. The risk of these investments shall be borne solely by the employee. The Town and the Union will not be liable for any losses the plan or any individual employee may suffer. Upon a normal retirement, the employee will be eligible to collect sick pay principal plus interest thereon, in addition to that individual's personal investment, if any, and interest.

The Town shall issue to each participating employee an annual statement on February 1st of each year detailing the total sick days credited, which plan the employee is currently invested, the total amount of the employee's contribution into his/her plan, and the current estimated value of the employee's participation within his/her plan. Within thirty (30) days after the annual statement is received the employee shall have the right to reinvest their current plan value to another of the Washington Trust plans offered.

- (c) The employee may add to this fund by investing his/her own money once per year on the same date as the annual sick leave sell back. If he/she leaves prior to normal retirement, he/she may withdraw only his/her own money, and interest, in the fund. He/she is not eligible to receive his/her 'sick time' payment.

- (d) Upon death of an employee, his/her estate shall be entitled to collect the employee's sick pay principal plus interest thereon in addition to employee's personal investment, if any, and interest.

- (e) The risk of all of these investments shall be borne solely by the employee. The Town and the Union will not be liable for any losses the plan or any individual employee may suffer.

- (f) At the end of the fiscal year, employees having more than forty (40) days annual accumulated sick leave may request payment for those days in excess of forty (40) at a rate of one (1) day's pay for each three (3) days of accumulation. ~~At the same time, employees will be offered an opportunity to deposit fifty (50%) per cent of their unused sick days for the year in a sick leave bank, to be established by the Town on or before June 1, 1993. Payment under this section will be reflected in the employee's paycheck during the first paycheck of the next fiscal year.~~

- (g) Any time an officer is on sick leave for a non-job related injury and has used all of his/her sick leave, he or she shall use all accrued vacation time, compensatory time and personal days before being placed on sick leave without pay.

- (h) As of July 1, 2010, the Town shall establish a "Sick Time Bank". At the beginning of each fiscal year the Town shall place a total of 4 sick days per member into the Sick Time Bank (2 from each member's original 20 days, and 2 matched by the Town). At the end of each fiscal

year each member of the bargaining unit may deposit up to eight (8) days of unused sick time into the Sick Time Bank. Once sick time is deposited into the Sick Leave Bank it loses all monetary value. If a member of the bargaining unit or a member of their immediate family becomes seriously ill and the member is in danger of running out of sick time they may withdraw sick time from the Sick Time Bank. Each member may withdraw a maximum of twenty (20) days at a time with a maximum of sixty (60) days of sick time per fiscal year. Once the member returns to work any unused sick time withdrawn from the Bank will be returned to the Bank. All requests for withdrawals from the Sick Time Bank must be approved by a Sick Leave Board consisting of the President and Vice President of Local 305 and the Town Administrator. No requests shall be granted for IOD related injuries or illnesses. It is understood that the purpose of the Sick Time Bank is to assist members and their families with serious and life-threatening illnesses.

Section 2 - Emergency Leave:

Employees shall be granted up to three (3) days off total, from the date of the death of a member of their immediate family until the date of the funeral or memorial service, where it is necessary in order to make arrangements and to attend the funeral or memorial service. Such employees shall suffer no loss of pay during this period. The term 'immediate family' shall mean for purposes of this provision: child, spouse, mother, father, mother-in-law, father-in-law, grandparents, sister or brother. In the event of a death of any other near-relative (first cousins or closer, but including brother or sister-in-laws) one (1) day off with pay will be granted in order to attend the funeral. In the event of the death of an individual other than those specified in this Section, permission to attend during duty status will be at the discretion of the Chief of Police.

Section 3 - Retirement Account. - Exhibit A:

The Town agrees to provide to each individual employee a statement of his/her retirement account annually.

Section 4 - Buy Back:

Any buy back of unused sick time as described in Article X Section 1 (f) and unused vacation as described in Article IX Section 1 (c), other than those arising from normal retirement, shall be paid in the first pay period of the next fiscal year at the accrued rate. Any buy back under this Section other than retirees will be pro rated at the time of termination/departure from town employment.

ARTICLE XI

Section 1 - Illnesses and Injuries:

(a) Employees of the Police Department who are injured or who contract illness in the line of duty shall receive such benefits as provided by Section 45-19-1 of the General Laws of Rhode Island, 1956, as amended.

(b) Medical care for injuries and illnesses for those injured or who contract illness in the line of duty shall be as follows:

1. Employees injured or who contract illness in the line of duty whose condition requires admittance to a hospital shall have the right to select a hospital in the State of Rhode Island and physician from the staff of that hospital. The choice shall be made by the employee, or if his/her conditions prevents him/her from making his/her choice it shall be made by his/her nearest relative who may be available at the time.

2. In other cases which do not require hospitalization, the employee shall have the right to a specialist of his/her choice from the staff of a hospital in the State of Rhode Island for initial treatment at the hospital and for subsequent treatment at the selected physician's office.

3. In cases which are of a minor nature (minor lacerations, abrasion, contusions, etc) the judgment of the attending physician shall be followed regarding the necessity of calling a specialist.

4. When an employee has suffered a minor injury which does not require the care of a physician, in the line of duty and has been treated by a member of the rescue squad, the officer shall authorize release of the rescue squad report and all other reports of the injury and the treatment to the Chief of Police and they shall become a part of the record of the Department. Any subsequent worsening of the injury shall entitle the individual to the benefits of this Article.

5. When an employee has suffered a previous injury and an occasion arises when that injury reoccurs in any nature, the employee shall be entitled to immediate examination by the physician who attended him/her for the original injury at the Town's expense. In the event the physician who treated the employee for the original injury is not available by reason of illness, death or from other circumstances, the employee shall have the right to engage a specialist of his/her own choice duly licensed and qualified to practice medicine in the State of Rhode Island. If the attending physician determines that the employee is actually suffering from a recurrence of the injury, the employee shall be entitled to the benefits of this Article, provided however, the Town of Jamestown shall have the right to have said employee examined by a physician selected by the Town to determine whether or not said employee is actually suffering from a recurrence of the injury. If there is a difference of opinion between the employee's physician and the Town's physician, then the two physicians shall pick a neutral physician who will examine the Permanent Police Officer or Clerk/Dispatcher and his/her decision shall be final and binding. The total cost paid for by the Town.

6. It is agreed by and between the parties that the Town may select a physician to examine an employee who reports an illness or original injury and also to determine whether or not an employee ill or injured, is ready to return to work.

7. It is agreed by and between the parties that the Town may assign 'light duty' status after suffering a job related or non-job related illness or injury. The Town may assign light duty if both the Town's physician and the employee's physician agree that returning to work on light

duty will not further aggravate the illness or injury. Officers on light duty may leave the Station, but cannot be ordered to do so.

Section 2 - Light Duty:

For any employee whose physical condition prevents him/her from performing his/her normal work assignments, the Employer agrees to make a reasonable effort to place him/her in work he/she can perform within the Police Department upon release from his or her physician and upon presentation of said release to the Chief and concurrence by the Employer's physician. Said assignment shall be as directed by the Chief.

The intent of this provision is to return to work as soon as is medically possible employees who are affected as set forth in the above paragraph. Further, the parties understand that 'limited duty' refers to duty other than normal outside patrol duties and that it is not the intent that said light duty is to be of a 'make work' nature.

An injured employee or an employee, who is temporarily disabled in any circumstance where the employee is not confined to their home and where the employee is determined capable of performing light duty assignments, may be required to work light duty status, providing the following conditions exist:

1. Capability to perform light duty shall be determined by the employee's physician and the Town's physician. If they fail to agree, then a third physician, a specialist in the area of the injury, mutually agreeable to the employee's physician and the Town's physician, shall examine the subject employee and the opinion of the third physician shall be conclusive on the parties. The Town shall pay for the cost of the examination. However, the Town and/or the Union shall have the right to have said determination reviewed by a single arbitrator in accordance with the arbitration provision set forth in this agreement. The event a dispute arises as to whether the employee can perform light duty; the employee shall be allowed to remain out of work until such time as a final determination has been rendered.
2. Prior to reporting to light duty, the employee must be informed in writing of the type of work they shall be assigned to perform. This written notice must be provided to the employee prior to the examination by the impartial physician referred to in subparagraph 1 preceding. Said employee cannot be required to perform any task or duty not enumerated in the light duty description provided in writing by the Town to the employee.
3. No employee shall be required to leave the station while on light duty unless the officer is physically capable of wearing his/her duty weapon. If an officer is not capable of wearing his/her duty weapon it shall be their own decision whether or not they are comfortable leaving the police station unarmed. It is understood that if an officer does choose to leave the police station to perform an assigned task it is the Department's responsibility to provide this officer with a vehicle that is not immediately recognizable as a police vehicle. The Town further recognizes that when an officer is capable of leaving the station while on light duty, that the officer's physical capabilities are limited and that all precautions shall be made not to have the officer perform tasks that could cause the officer further harm.

4. The employee must be granted time off for doctor's visits or therapy.
5. Light duty assignments shall in no way further impair the employee's recovery or aggravate the employee's injury.
6. Light duty assignments cannot be in conflict with the Department's rules and regulations or policies and procedures. This section is not intended to circumvent or impair the terms provided for in R.I. General Laws 45-19-1, as amended.

Light duty will include desk clerk, administrative duties as assigned by the Chief of Police, prosecution and other similar light or clerical tasks in accordance with a doctor's recommendation or the employee's physical limitation, within the essential job functions of the employee. Any employee assigned to light duty shall be placed on an administrative four and two schedule.

ARTICLE XII

For employees hired after March 1, 1996 the Town will pay eighty percent (80%) of all premiums and the employee will pay twenty percent (20%). Effective July 1, 2011, any employee not paying twenty percent (20%) shall pay seven percent (7%). Effective July 1, 2012, this shall increase to fifteen percent (15%).
- b) Co-payment for outpatient services shall be as follows: Primary care office visits \$10.00; Specialists \$25.00; Urgi-Care \$25.00; and Emergency Room \$100.00.

Coinsurance: The percentage of our allowance that you must pay for a covered healthcare service.
Copayment: A fixed dollar amount that you must pay for a covered healthcare service.
Deductible: A fixed amount that you must pay for covered healthcare services each calendar year before we start to pay for those services.
Out-of-pocket maximum: Highest amount of coinsurance that you must pay each calendar year for certain covered healthcare services.
Personal care physician (PCP): Includes family practitioners, internists, and pediatricians.

How Your Deductible Works

Your plan features a deductible. The deductible is the amount of covered expenses you must pay per calendar year before we start to pay for covered services.

- Two family members must satisfy the individual deductible. Once the second family member meets their individual deductible, the family deductible is satisfied.
- Once the family deductible is met, the family only needs to pay coinsurance (if applicable) up to the out-of-pocket maximum.

The family out-of-pocket maximum accumulates the same way as the family deductible.

Your Prescription Drug Plan

Your prescription drug plan divides all covered drugs into four different levels (tiers).

Tier 1, Tier 2, and Tier 3 drugs are listed in the Preferred Drug List. **Tier 4** drugs are listed in the Specialty Drug List. Both lists can be found on **BCBSRI.com** in the Pharmacy section.

| | | Copayment per 30-day supply | Mail Order 90-day supply |
|---------------|--------------------------------|-----------------------------|--------------------------|
| Tier 1 | Generic drugs | 20% | 20% |
| Tier 2 | Preferred brand name drugs | 20% | 20% |
| Tier 3 | Non-preferred brand name drugs | 20% | 20% |
| Tier 4 | Specialty drugs | 20% up to \$75* | N/A |

**Infertility drugs are covered with a 20% coinsurance and may exceed the \$75 maximum.*

Filling Prescriptions

Network retail pharmacies. Our network includes approximately 60,000 retail pharmacies. Please visit BCBSRI.com for our participating pharmacy directory.

Mail order through CVS Caremark. You can order up to a **90-day supply** of most drugs through the mail (excludes specialty drugs).

- You can access CVS Caremark by logging in to BCBSRI.com. Select "Pharmacy" on the left hand side of your member home page and follow the prompt from there.
- You can also call CVS Caremark at 1-866-329-3053 (TDD 1-800-231-4403).
- To request a mail order brochure, please contact BCBSRI Customer Service.

About Specialty Drugs

Specialty drugs must be purchased at one of the participating specialty pharmacies listed below to receive the maximum benefit. You can receive up to a 30-day supply at a time.

Caremark Specialty Pharmacy Services
1-866-278-6634

Village Fertility Pharmacy
1-877-334-1610

You or your doctor may need to get prior authorization (pre-approval) for some specialty drugs before they will be covered.

Generic Incentive

Some brand name drugs have generic equivalents. If a drug has a generic equivalent, your prescription drug plan covers the **retail cost** of the generic drug, less your applicable copayment. **If you choose to purchase the brand name drug, you will be responsible for the difference in cost between the brand name and its generic equivalent.**

Using Out-of-network Pharmacies

Tier 1, Tier 2, and Tier 3: There is no coverage for non-participating retail and mail order pharmacies.

Tier 4: If you purchase a specialty drug at a non-participating specialty pharmacy, you must pay for it in full at the time of purchase, and you will be reimbursed at 50% of our allowance for most specialty drugs. Specialty infertility drugs will be reimbursed at 80%.

Saving Money on Prescription Drugs

Choose generic drugs when appropriate. Generic drugs have the same active ingredients as their brand name equivalents, and are approved by the U.S. Food and Drug Administration (FDA). Ask your doctor if you can take a generic drug.

Choose over-the-counter drugs whenever possible. Over-the-counter drugs (OTCs) are medications that do not require a prescription. Most are less expensive than their prescription

equivalents, but have the same active ingredients. Ask your doctor if an OTC drug is available for you.

Choose preferred brand name drugs when appropriate. If no OTC or generic drug is available, ask your doctor if you can take a Tier 2 (preferred brand name) drug.

Half-tab program: With your physician's approval, you can have certain prescriptions filled at double the strength, get half the amount of pills and only pay half the amount of your drug copayment. You will be provided a pill splitter with this voluntary program and will take a half-tablet dosage instead of a whole pill. Consult with your physician to see if this practice is safe for the medications and dosages prescribed to you.
