

**EAST PROVIDENCE SCHOOL COMMITTEE AND
EAST PROVIDENCE EDUCATION ASSOCIATION
STATEMENT OF PROFESSIONAL RELATIONS**

PREAMBLE

The School Committee of the City of East Providence and the East Providence Education Association do hereby agree that the welfare of the children of East Providence is of first consideration in the operation of the schools and will be promoted by both parties. The parties do hereby agree as follows:

**ARTICLE I
RECOGNITION**

The School Committee of the City of East Providence, hereinafter referred to as the Committee, recognizes that teaching is a profession. The Committee recognizes the East Providence Education Association, hereinafter referred to as the Association, as sole representative of all regularly appointed certified teaching personnel employed, or to be employed, by the Committee with the exception of day-by-day substitutes.

The Association recognizes that the Committee, as the agent of the State of Rhode Island, and as the elected representatives of the City of East Providence, is the employer of the certified personnel of the East Providence School Department.

The purpose of this recognition is the mutual agreement that the parties will confer with regard to matters of common concern.

**ARTICLE II
PRINCIPLES**

2.1 Attaining Objectives

Attainment of objectives of the educational program of the City requires mutual understanding and cooperation among the Committee, the Superintendent and the professional teaching personnel.

To this end, free and open exchange of views is desirable and necessary, with all parties participating in deliberations leading to the determination of matters of mutual concern.

2.2 Dues or Fee Deduction

All certified teaching personnel shall be given an opportunity to join the East Providence Education Association. Dues or fees shall be deducted from each check in the amount of one-seventeen (1/17) of the annual dues by the School Department if payment in full is not made by the Friday preceding the first pay in November. If a teacher terminates during the year, the balance of the dues or fees will be deducted from the last check.

2.3 Agency Fee

All employees in the bargaining unit who are not members of the Association shall pay an agency fee to the Association. Non-members shall pay an agency fee to the Association in an amount certified annually by the East Providence Education Association and notice of such shall be given to the School Department by October 1st. The School Department will not be held liable for dues owed by the member.

The Committee agrees that payment of the agency fee shall constitute a condition of employment for all members of the bargaining unit who are not members of the East Providence Education Association. Members of the bargaining unit shall be notified of their obligation to pay dues or an agency fee to the Association. Each teacher who is not a member of the Association shall be given thirty (30) days to comply.

The Committee agrees to allow teachers who are not members of the Association to have their agency fees deducted from their bi-weekly checks in the same manner accorded Association members above.

The Committee will provide the Association with a separate list of all non-Association members who are on dues deduction.

Newly hired teachers shall be informed of their obligation to pay an agency fee to the Association and that this fee constitutes a condition of employment, and shall be given thirty (30) days to comply with this requirement.

2.4 Certified Teaching Personnel

It is recognized that teaching is a profession which requires specialized qualifications, and that the success of the educational program in the City depends upon the maximum utilization of the abilities of the teachers who are reasonably well satisfied with the hours, salary, working conditions and all other terms and conditions of professional employment.

The members of the East Providence Education Association feel that each member of his/her professional group should give as early notice as possible of his/her intent to leave the employ of the East Providence School Committee. The East Providence Education Association will encourage its members to comply with this ethical procedure.

No teacher will be reprimanded or reduced in rank without just cause.

2.5 Teacher Participation

The Committee, Superintendent and the representatives of the Association shall meet for the purpose of negotiating and reaching mutually satisfactory agreements on salary, welfare provisions and working conditions.

Negotiations shall be conducted under the laws of the State of Rhode Island.

3.1 Meetings

Meetings composed of members of the Association, the Committee and the Superintendent shall be called upon written request of any one of the parties involved, namely: the Association, the Committee and the Superintendent of Schools. Requests for meetings should contain specific statements as to the reason for the requests.

3.2 Directing Requests

Requests from the Association shall be made to the School Committee through the Superintendent of Schools. Requests from the School Committee to the President of the Association shall be made through the Superintendent of Schools. A mutually convenient meeting shall be set within ten (10) days of the request.

3.3 General Provisions

The Committee shall make available to the Association upon request any information, statistics and records which are relevant to negotiations, grievance or necessary for the proper and legitimate enforcement of the terms of the Agreement.

Three (3) copies of the itemized, annual budget shall be delivered to the President of the Association within ten (10) days after approval by the Committee but in no case later than ten (10) days prior to the public hearing.

The President shall be furnished with a copy of the agenda as presented to the press of all School Committee meetings and notices of all special meetings.

On the first and fifteenth of each month the President of the Association shall be sent two (2) copies of any and all vacancies that exist as of that date.

3.4 Agreement

When the participants reach agreement, it will be reduced to a written, signed Contract and become part of the official minutes of the Committee and of the Association. The contract shall be printed as soon as possible by a Union printer. The cost of the printing shall be shared equally by the School Committee and the Association. The Association will put the Contract out to bid and, if necessary, agrees to pay the difference between the low bid and the low Union bid.

No agreement shall discriminate against any member of the teaching staff because of membership or non-membership in any teacher organization.

Nothing in this Agreement shall be in violation of the provisions of the laws of the State of Rhode Island.

3.5 Conformity to Law and Saving Clause

If any provision of this Agreement is or shall at any time be determined contrary to law by a court of competent jurisdiction, then such provision shall not be applicable or performed or enforced except to the extent permitted by law. In the event that any provision of this Agreement is or shall at any time be

determined to be contrary to law by a court of competent jurisdiction, all other provisions of this Agreement shall continue in effect.

Should the families receive health benefits equal to those being provided by the East Providence School Department, they agree to notify the East Providence School Department to stop the benefit. Should this situation change during the period of eligibility, the East Providence School Department agrees to reinstate said health protection.

Eligible retirees shall be entitled to receive health insurance and/or dental insurance benefits for one (1) year after retirement for family plans, or two (2) years for individual plans, or until Medicare eligibility, whichever occurs earlier, on the same terms and under the same conditions as apply to active employees. Such retired teachers may, in addition to required contributions to their individual coverage, pay the difference in cost between individual and family coverage in order to purchase family coverage during the period of their own eligibility for coverage. Failure to make any required contribution in advance of the month of coverage shall result in termination of coverage. This is not intended to apply to those who have already retired as of January 2, 2009.

5.7 Wellness

The School Committee will provide a wellness benefit beginning on July 1, 2013 as described in Exhibit 1.

ARTICLE VI **INSURANCE**

The immediate family shall include father, mother, spouse, brother, sister, son, daughter, in-laws and any person living in the teacher's household.

In the case of illness in the immediate family (spouse, son, daughter, parents, or other person in the immediate household) a teacher shall be allowed to use his or her annual sick leave in accordance with Section 7.1.1. At the discretion of the Superintendent, her/his designee, a doctor's certificate may be required of teachers with respect to absence on family illness leave when said teacher is absent for five (5) or more consecutive days.

A teacher in years one (1) through three (3) who has a prolonged illness that is medically certified and filed with the Human Resource office may request up to ten (10) additional sick days to the Superintendent. These additional days must be used after her/his accrued sick leave has been exhausted.

7.1.1a The Association and the Committee recognize the importance of improving teacher attendance within the School System. Each teacher is expected to attend school on a regular basis and will be held accountable and responsible for maintaining an attendance record, which will ensure continuity of education for students. However, the Committee recognizes that a certain number of absences are unavoidable and will be provided for consistent with the Contract.

The Superintendent or his/her designee may require a physician's certification of illness regarding any illness of five (5) or more consecutive days. In cases of excessive or persistent absences due to illness, the Superintendent may require an employee to be examined by a physician selected by the Superintendent.

7.1.1b The School Department shall provide a statement of each teacher's accumulated sick leave via the AESOP absence-recording system.

7.1.1c Teachers shall call in their intention to be absent due to illness by entering the absence into the AESOP tracking system through the internet, or by calling AESOP, or as a last resort by calling the building Principal's office, as soon as reasonably practicable, but in no event any later than 6:30 a.m. on the day the absence is to occur.

7.1.2 Sick Leave Bank

Teachers appointed by the School Committee in East Providence who have prolonged illnesses that are medically certificated and filed with Human Resources may appeal to the Education Association for up to

twenty-five (25) additional sick leave days which might be used after their accrued sick leave has been exhausted. Requests for up to another additional twenty-five (25) sick leave days may be made to the Superintendent of Schools and such days may be granted at the discretion of the Superintendent.

Teachers in the Education Association may contribute up to three (3) days per year of their regular sick leave to the aforementioned pool.

Teachers who wish to apply for use of the days from the Sick Leave Bank may do so by notifying the Human Resource Office in writing through the President of the Association at least one (1) week before the recipient's own sick leave has been exhausted.

7.1.3 A teacher who is disabled due to pregnancy-related disability shall be covered by all provisions of this Contract, including but not limited to sick leave and insurance coverage. Furthermore, it is understood that the parties are bound by the EEOC guidelines and any applicable state and federal laws.

7.1.4 At the end of the school year, members of the bargaining unit who have used three (3) or fewer sick days shall be compensated at the rate of fifty dollars (\$50.00) per day for any amount of unused sick days up to twelve (12) days if and only if at the maximum accrual of 200 days.

7.1.5 Upon retirement, teachers shall be paid seventy-five (\$75.00) dollars per day for up to one hundred (100) unused days of eligible paid absence. (Eligible paid absence days shall include sick days and personal days.)

7.2.2 Sick leave shall not be charged, when an employee receives worker's compensation salary payments as a result of an on-the-job injury. If the employee remits her/his income compensation check to the business office, she/he shall continue to receive her/his full salary from the District until said worker's compensation payments cease.

The School Committee shall have the right to have the teacher examined by a physician designated by the School Committee and this physician shall consult with the teacher's physician for the purpose of establishing the length of time the teacher will be absent from his or her duties. In the event of dissenting medical opinions, the School Committee's physician's findings shall prevail. However, the teacher's personal physician's opinion shall be recorded and attached to the report.

7.2.3. On-the-job injury shall be defined as any injury occurring on and off school premises while on school business.

7.3.4 In extreme cases of protracted illness extending beyond all of the above allowances, additional time may be allowed at the discretion of the School Committee.

ARTICLE VIII
LEAVES OF ABSENCE

Teachers should notify the Superintendent or his/her designee as soon as practical when they foresee being on leave for an extended period of time.

8.1 Bereavement Leaves

8.1.1 A teacher shall be granted leave with full pay for five (5) days for a death in the immediate family. The immediate family shall include father, mother, spouse, brother, sister, son, daughter, in-laws, grandchild and any person living in the teacher's household. If bereavement leave occurs just prior to an extended school closing (five (5) weekdays or more), the leave shall terminate on the last day of school prior to said closing.

8.1.2 A teacher shall be granted leave with full pay for three (3) days for grandparents by blood or in-law.

8.1.3 For other relatives, by blood or in-law (uncles, aunts, nephews, nieces, first cousins), the teacher shall be allowed the day or such part of that day as may be necessary to attend the funeral without loss of pay.

8.1.4 In emergency, additional days may be granted at the discretion of the Superintendent of Schools.

8.1.5 The Association may send its President or his/her designee to the funeral of any member's immediate family without loss of pay. The Principal of his/her building shall arrange coverage without the hiring of a substitute.

8.1.6 In the event of a death of a teacher, that school shall be closed for the funeral and the day will be made up. The President, or his/her designee, may be released to attend the funeral service of a retired teacher.

8.1.7 A teacher who works less than a full day will be granted the same number of days listed in the stated bereavement leaves for the number of hours he/she is regularly scheduled to work.

8.2 Quarantine

When a teacher is subject to quarantine by order of the Health Department, such person shall receive full pay during the period of quarantine, and this period of time which the person is absent from his/her duties as a result of such quarantine shall not be deducted from his/her accumulated sick leave.

8.3 Jury Duty

In all cases where teachers are called to jury duty, they shall be encouraged to serve, and the difference between their pay and their teacher's salary shall be paid to them. This shall be accomplished by the teacher receiving full pay from the School Department and relinquishing all jury duty pay to the School Department.

8.4 Absence Without Pay

In case of absence without pay, a deduction shall be made on one hundred eighty-three (1/183) of the annual gross salary of the absentee for each school day of absence. Such leaves, however, may be granted at the sole discretion of the Superintendent.

8.5 Sabbatical Leave

After completion of at least six (6) years of teaching service in the City of East Providence Public Schools, a regularly employed teacher may, upon request, and approved by the Superintendent, be granted one (1) year leave of absence to pursue a full time program of advanced study at a recognized college or university at one-half (1/2) of the salary that he/she would normally receive including the current increment. A teacher with ten (10) years of service in East Providence, when granted sabbatical leave, will receive two-thirds (2/3) of the salary he/she would normally receive including the current increment. A teacher may be granted permission for one-half (1/2) year leave of absence under the same conditions at one-quarter (1/4) of his/her annual salary. Requests for sabbatical leaves shall be filed with the Superintendent no later than October 1st of the year preceding such leave. Sabbatical leaves can be approved only if the requested leave relates to advanced work being done in the discipline area of the teacher requesting said leave or in allied areas that may enhance the teacher's educational career. For the purpose of placement on the salary schedule only this leave of absence would be considered a year or a half (1/2) year of teacher service. The teacher shall agree to return to employment in the East Providence School System for the full year following the expiration of the sabbatical leave. For this purpose, a signed agreement shall be used. Life insurance and health care coverage shall be continued for teachers on sabbatical leave. Teachers approved for a sabbatical leave will be notified by February 1st of their approval for the following school year. The President of the Association shall be relieved of all his/her non-teaching duties to take care of Association business. In addition, the President shall be provided the equivalent of two (2) full days per week at no loss in salary or benefits and the Association agrees to pay one-half (1/2) of the cost. Meaning that the School Department pays for one day and the Association pays for one day.

8.6 Legal Proceedings

In cases in which teachers are compelled, or requested by the School Department to appear before a court or grand jury to testify on behalf of the School Department in which they are neither the petitioner nor the defendant, they shall be paid the difference between the witness fee and the normal salary for the period of absence. This shall be accomplished by the teacher receiving full pay from the School Department and relinquishing all witness fees to the School Department. Teachers shall be granted a temporary leave of absence with full pay for the time necessary for such appearances in legal proceedings.

8.7 Personal Leave

8.7.1 Each member of the professional staff shall be allowed three (3) days of absence each school year for personal reasons without loss of pay. Such leave shall not be allowed the day preceding or the day following a holiday or vacation period or during the last two (2) weeks of school nor shall such leave be allowed by the Superintendent of Schools if said leave were to cause school(s) to be shut down. However, a personal day may be taken the day preceding or the day following a holiday or vacation period or during the last (2) weeks for personal business which cannot be conducted at any other time. In applying for personal leave on the day preceding or the day following a holiday or vacation period or during the last two (2) weeks of school, the teacher must state the nature of the personal business to be conducted on that day. This exception will include the right of teachers to attend graduation of members of their immediate family.

However, the third personal day may not be used to extend a holiday, weekend, or vacation except at the discretion of the Superintendent.

Any unused personal days may be converted to a sick day and accrued in accordance with the sick day accrual provisions of the CBA.

8.8 Military Leave

Should a teacher be called for military reserve on dates not chosen by him/her during the school year, he/she shall be granted up to two (2) weeks leave of absence. He/she shall be paid the difference between his/her teaching salary and the base military pay received by him/her for such service performed on school days, provided that the base military pay is less than the teaching pay, for the days in question.

8.9 Religious Holidays

Teachers whose religious obligations require attendance at religious services held during the school day shall be granted up to two (2) days per year to attend such services. Notification must be given at least one (1) school day prior to taking this leave or pay will be deducted.

8.10 Professional Leave

Teachers may, upon approval of the Superintendent, be granted the opportunities for professional visitation, attendance at workshops, in-service courses, conferences, or other professional growth activities.

8.10.1 The School Committee agrees to establish a pool of professional leave days per school in accordance with the size of the school. Teachers shall be granted two (2) professional leave days per year for every ten (10) teachers or a portion thereof in the school of their assignment. The determination of the particular teacher(s) taking advantage of this opportunity on an equitable and rotating basis shall be made by the Association's Building Representative and the School Principal. Professional leave shall be defined as attendance at conferences or workshops, or any other professional meetings sponsored by an affiliate of the professional organization directly related to one's subject matter. The teacher must submit a written notice signed by both the Association's Building Representative and the School Principal to the Director of Human Resources in advance of such leave. Except in exigent circumstances, a fourteen (14) day notice shall be given.

8.10.1a Professional Leave Fund

The School Committee agrees to establish a fund for the purposes of funding teachers for travel, registration, or other costs incurred as a result of attending professional conferences for pool days only. Said fund will be administered in a fair and impartial manner. Five hundred dollars (\$500.00) per month for ten (10) months, up to fifty dollars (\$50.00) per teacher will be funded by the School Committee. Monies not used in any given month may be carried over in the succeeding month. An Annual Report of said monies shall be made to the President of East Providence Education Association.

8.10.1b Procedures

1. The teacher will apply for professional leave days through the Human Resources Department. At the time of application for professional leave days, the teacher must request reimbursement. The same professional leave form should be used and continues to be available in all buildings.

2. The teacher will receive a copy, approved by the Superintendent of Schools, or his/her designee of the professional leave form from the Human Resources Office, along with instructions for the reimbursement procedures.
3. After attendance at the conference, the teacher will submit to the Business Office receipts and/or canceled checks for payment of conference fees.
4. Receipts and/or canceled checks must be in the Business Office not later than the fifteenth (15th) day of the month following the conference.
5. For each calendar month, the Business Office will establish a file for all submitted receipts.
6. Pursuant to the Contract, the monthly allocation will be divided equally among those who have completed the above process. In no case will a teacher receive more than fifty dollars (\$50.00), or more than the actual cost of the conference fees.

8.10.1c The School Committee agrees to establish a pool of eight (8) professional leave days for Association business. The determination of the particular teachers(s) taking advantage of this opportunity on an equitable and rotating basis shall be made by the Association President and the Superintendent. The teacher must submit a written notice signed by both the Association President and the School Principal to the Assistant Superintendent for Human Resources in advance of such leave. The Association agrees to pay for the substitute.

8.11 Adoption Leave

Members of the bargaining unit who adopt a minor child during the school year shall be granted a leave of absence in accordance with state and federal law.

8.12 Leave Without Pay

All requests for leave without pay will be applied for, and granted or denied, in writing. All leaves of absence in this section, except for those requested pursuant to the Family and Medical Leave Act, will be for no less and no more than one (1) year at a time when requested prior to the beginning of a school year. Leaves requested after the school year starts, except for those requested pursuant to the Family and Medical Leave Act, will be for the remainder of the year. Starting in September 2000, seniority shall not accrue on full-year leaves without pay. Requests may be made for the following:

8.12.1 Peace Corps and Vista

Peace Corps and Vista leave will be granted, without pay, to any teacher who enlists for a period not to exceed two (2) years. Upon return from such leaves, a teacher will be placed on the salary schedule at the level he/she would have achieved had he/she remained actively employed in the system during the period of his/her absence. Peace Corps and Vista leave is for one (1) year at a time and the teacher must renew his/her leave for the additional year.

8.12.2 Sick Leave

A leave of up to one (1) year, without pay or increment, will be granted for the purpose of caring for a sick member of the teacher's immediate family and such leave may be extended for one (1) year. A teacher who is granted a leave of absence for this purpose shall be afforded the opportunity to continue in the group health insurance plan by paying the full cost of premiums monthly, in advance, and may continue life insurance in force by paying the full cost of premiums monthly in advance.

8.12.3 Extended Personal Illness

Any teacher whose personal illness extends beyond accumulated sick leave will be granted a leave of absence for the remainder of the year without pay or increment and such leave should be accompanied by a statement from a regularly licensed physician that such leave is necessary. Upon request, it shall be renewed for an additional one (1) year. Upon return from such leave, a teacher will be assigned to the same position following one (1) year's leave of absence. Teachers returning from leaves of absence in excess of one (1) year shall return to the same position, if available, or if not, a substantially equivalent position. A teacher shall have health insurance as defined in Article V and life insurance coverage continued while on leave.

8.12.4 Parental Leave

Parental leave is designed for teachers to care for family members and is not meant as a mechanism to pursue other employment. Parental leave without pay shall be granted to employees for the remainder of the year upon application to the Superintendent. Upon request, it shall be renewed for up to two (2) additional years. Returning employees shall be restored to the position they held at the time such leave commenced, following one (1) year's leave of absence. Teachers returning from leaves of absence in excess of one (1) year shall return to the same position if available or, if not, a substantially equivalent position. 9.19.1 The Committee and the Association agree that the adjustment of behavioral problems is the joint responsibility of teachers and administrators. Teachers shall have the support from administrators who shall give the teacher effective and consistent support in each case. In an instance where the situation, in the opinion of the teacher, is of a serious nature and a child is sent from the class, the teacher shall confer with the Principal or Assistant Principal to provide the necessary information concerning the problem. A child

shall not be sent from the class except to the area designated by the Principal. The teacher will re-admit the child following a conference with the teacher, if available, and one of the following parties: an administrator, a counselor, visiting teacher, school psychologist, home visitor, parent or guardian of the child. Assuming the teacher is not present at the conference, the teacher shall be informed as to the proceedings and facts of the conference.

9.19.2 Each teacher shall receive annually a set of school rules and regulations.

9.20 Faculty Committee

9.20.1 The Principal in each school shall in September of each year establish a faculty committee from among interested members of the individual school staff. The chairman shall be elected from among members of the Committee. The schedule of meetings shall be mutually established by the Principal and Chairperson. Issues to be discussed shall include recommendations on facilities that may be referred to the Superintendent. Issues that remain unresolved after two (2) meetings may be referred by the Committee to the Superintendent or his/her designee.

9.20.2 The purpose of the Committee shall be to meet monthly with the Principal to discuss educational matters of concern to the teachers and the Principal relating to the respective schools.

9.20.3 The Committee shall be organized on the following basis.

9.20.3a Elementary schools with one (1) to nine (9) teachers – all interested may serve on the Committee.

9.20.3b Elementary schools with ten (10) or more teachers – five (5) teachers elected by the faculty.

9.20.3c Middle School – seven (7) teachers elected by the faculty.

9.20.3d Senior High – ten (10) teachers elected by the faculty.

9.20.4 These elections shall be conducted annually as provided for above.

9.20.5 The Committee shall meet before or after school hours, and such meetings shall not be considered as satisfying the provisions of this Agreement relating to required meetings.

9.20.6 The Principal and the Committee shall keep the faculty informed regarding the Committee's deliberations.

9.20.7 The Committee shall have the right to participate in the formulation of agenda of each meeting, and such agenda shall be formulated and distributed one (1) week prior to each meeting whenever possible. The Minutes of all meetings as well as the official results of all faculty votes shall be published as soon as possible.

9.21 Vacancies, Promotions and Job Fair

9.21.1 A certified teacher, who is a member of the East Providence Education Association, shall serve on all screening committees for all certified positions. The department head or coordinator shall serve on all screening committees if available or another teacher if the department head or coordinator is not available.

The certified teacher or the department head or coordinator, each of whom should be certified in the subject area being interviewed, shall be given adequate notice of the scheduled interview(s). If no East Providence Education Association member(s) is available, the President of the East Providence Education Association will be notified.

9.21.2 Whenever a vacancy in a professional position occurs with a salary above the basic salary scale or whenever a new position with a salary above basic scale is created and when non-classroom positions are open, the Superintendent shall publicize it by written notice to all certified personnel.

9.21.3 The written notice will state the last date that filed applications will be accepted. Applicants will also receive, at the time of requesting the application form, a copy of the job description and the salary for the position being advertised.

9.21.4 Vacancies shall be filled on the basis of qualifications as follows:

1. Experience and skills appropriate to the vacancy notice.
2. Educational degrees appropriate to the vacancy notice.
3. Seniority

9.21.5 The Committee agrees to continue its practice of not discriminating on the basis of race, creed, color, religion, national origin, age, sex, marital status, sexual orientation, or membership in the Association in making appointments.

9.21.6 Each applicant shall be notified via email of the disposition of his/her application.

9.21.7 Transfers and Assignments

A. Any position which becomes open at any date in the school year and remains open through the end of the school year will be offered to bargaining unit members on the recall list. At the end of the school year, the position will be vacated and posted for the ensuing school year.

Voluntary transfers and assignments will be based upon the following system from among interested candidates with the position being awarded to the individual with the highest score. Where two or more applicants have the same score, seniority shall be the deciding factor.

TEACHER EVALUATION	POINTS		EXPERIENCE	POINTS
Highly Effective	4		3 or more of the last 5 years in a position at the same level	4
Effective	3		3 or more of the last five (5) years but at a different level	3
Developing	1		Less than 3 years of last 5 years in position at the same level or less than 3 years of last 5 years in position at different level	2
Ineffective	0		No experience in the position in the last five (5) years but some previous	1

ADDITIONAL POINTS BASED ON SENIORITY IN THE DISTRICT	
YEARS	POINTS
25 or more years	4
15-24 years	3
6-14	2
1-5	1

Note: The above does not apply to teachers with a final rating of “ineffective;” such teachers are not eligible for voluntary transfers.

Note 2: Relevant experience levels are defined as High School/Career & Technical Center, 9-12; Middle School, 6-8, Upper Elementary School, 3-5, Lower Elementary School, PK-2.

Note 3: The evaluation rating will not be used for transfers and assignments until all members of the bargaining unit are evaluated under a fully implemented evaluation instrument, consistent with the RIDE model.

a. Not later than May 1 the official list of open positions shall be posted. Said list shall include, but not be limited to, teacher openings by either resignations, retirements, vacancies occurring as a result of second year approved leaves of absence or new positions.

b. Notwithstanding the above, no teacher may choose an option which results in the non-renewal, termination, suspension or layoff of a teacher.

c. It is agreed that in an elementary school the least senior teacher at the grade level, or at the secondary level, the least senior teacher in the certification category of the position being eliminated in a building shall be the person to be transferred from the building should an involuntary transfer be necessary.

9.21.8 While the Committee and the Association recognize that frequent transfers of teachers are disruptive of the educational process, they also recognize that involuntary transfers of teachers are unavoidable and that, in making assignments in the East Providence School System, the interests and aspirations of teachers must be considered. Therefore, they agree to the following:

9.21.8a Notice of involuntary transfer shall be given to teachers no later than forty-five (45) days before such reassignment, when practicable.

9.21.8b No teacher shall be involuntarily transferred without cause.

9.21.8c It is understood that in the event of layoffs, in accordance with R.I. Gen. Laws §16-13-6 and related statutes, the least senior person (in the area of certification as per R.I. Gen Laws § 9.25.1) in the system will be laid off first. It is further understood that if any portion of the layoff assignment or transfer process set forth in the Agreement is deemed to be non-compliant with RIDE's BEP regulations, the parties will negotiate in good faith to achieve BEP compliance.

Involuntary transfers for cause may take place without regard to seniority.

9.21.9 Positions in Summer School, Evening School and Extra-Curricular Activities

It is the goal of the Committee and the Association to fill each position with the most qualified individual.

A. Openings for positions which are the subject of this Article shall be posted via East Providence School Department email at least seven (7) days before the deadline for applications.

B. Positions covered by the Article will be filled by regularly appointed teachers in the East Providence School System.

C. Positions will be filled based on seniority, relevant education and experience and certification, if required.

D. Teachers with an "ineffective" or "developing" evaluation rating will not be considered for these positions.

9.22 Leaving the Building

Teachers may be permitted to leave the school building during their preparation upon notification to the school principal. Teachers are not permitted to leave the school building during their common planning time.

9.23 Professionalism

9.23.1 The School Committee and the Association recognize the desirability of enhancing the image of teachers in the East Providence School System. To this end the Committee and the Association agree to the following:

Teachers shall make every effort to reflect a positive image to the students and the community by their dress.

9.24 Job Sharing

The School Committee will establish a job-sharing clearing house for the purpose of matching individuals expressing an interest in the job sharing. Teachers shall receive notification of the clearing house along with the adopted procedures and deadlines.

Both the School Committee and the East Providence Education Association agree that the School Department will benefit by establishing an efficient job-sharing program for the East Providence School Department that supports student learning, the School Department's academic goals, and meets the needs of teachers who desire to job share. Therefore, effective for the 2003/2004 school year, job sharing shall be administered as follows:

a. Teachers may not request to job share until they have at least three (3) years of teaching in the East Providence School Department.

b. Teachers desiring a job share during the upcoming school year who apply in writing to the Director of Human Resources before February 1st must be considered for job sharing. Teachers who apply after February 1st may be considered for job sharing if approval is beneficial to the School Department.

c. Teachers desiring to job share may submit applications to Human Resources at any time. Such applications will be held in the Job Share Clearing House. The Director of Human Resources shall annually, but no later than March 1st of each year, review the job share applications in the Clearing House to determine whether or not pairs of teachers' certifications and current positions are compatible for job sharing. This information shall be shared with the East Providence Education Association and publicized to the East Providence Education Association membership.

d. Should the principal of an affected school feel the job share is not feasible, he/she shall report his/her decision and rationale to the Director of Human Resources. The Director of Human Resources shall confer with the principal, the teachers involved, and the President of the Association to gather information. The Director of Human Resources shall then refer the matter to the Deputy Superintendent or Superintendent for disposition, with the Director of Human Resources' recommendation.

e. Should the principal feel the job sharing is feasible, he/she shall, in conjunction with the teachers involved, prepare a detailed Job-Sharing Plan that will cover all aspects of teaching. Such plan shall be forwarded to the Director of Human Resources for referral to the Superintendent for approval.

f. If the Superintendent approves the Plan, he/she shall recommend approval to the School Committee.

9.24.1 Job Sharing Administration

a. The job-sharing plan worked out between the two teachers and the principal must insure a continuity of instruction for the students. To this end, one plan book with separate notebooks for consistency of lesson plans shall be the norm.

b. Teachers who job share shall schedule weekly meetings after their school day to plan lessons and discuss student progress.

c. Both teachers in a job-sharing arrangement shall attend teacher orientation day, staff meetings, all parent conferences, and all mandatory meetings called by the Superintendent. Attendance at other required meetings shall be shared between the two teachers who are job sharing. The two teachers shall develop a schedule to cover and share the contents of these meetings with each other. Both teachers may attend meetings if they so choose.

d. Should unforeseen circumstances arise that render the job-sharing arrangement detrimental to the students involved, the job sharing arrangement shall be terminated immediately or at a date selected by the Superintendent of Schools.

9.24.3 Both teachers who are approved to job share shall sign a copy of the above listed job share rights and responsibilities, as well as the job share plan created by the teachers and the principal.

9.24.4. Administration of job share arrangement entered into during school years prior to the 2003-2004 school year shall be controlled by the agreements and/or practices in place at the time.

9.24.2 Job Sharing Plan

a. The job-sharing plan worked out between the two teachers and the principal must insure a continuity of instruction for the students. To this end, one plan book with separate notebooks for consistency of lesson plans shall be the norm.

b. Teachers who job share shall schedule weekly meetings after their school day to plan lessons and discuss student progress.

c. Both teachers in a job-sharing arrangement shall attend teacher orientation day, staff meetings, all parent conferences, and all mandatory meetings called by the Superintendent. Attendance at other required meetings shall be shared between the two teachers who are job sharing. The two teachers shall develop a schedule to cover and share the contents of these meetings with each other. Both teachers may attend meetings if they so choose.

d. Should unforeseen circumstances arise that render the job sharing arrangement detrimental to the students involved, the job sharing arrangement shall be terminated immediately or at a date selected by the Superintendent of Schools.

9.24.3 Both teachers who are approved to job share shall sign a copy of the above listed job share rights and responsibilities, as well as the job share plan created by the teachers and the principal.

9.24.4 Administration of job share arrangement entered into during school years prior to the 2003-2004 school year shall be controlled by the agreements and/or practices in place at the time

9.25 Seniority, Layoff and Recall

Seniority is defined as continuous employment from the date appointed by the School Committee or the date the teacher commenced work, whichever is earliest. Per diem substitute work shall be counted if continuous

from the date work commenced. Starting in September 2000, seniority shall not accrue on full year leaves without pay.

9.25.1 Layoffs

9.25.1a Layoffs shall first take place among the least senior teacher in the area of certification.

9.25.1b To prevent a layoff, a teacher may bump the least senior teacher in any area(s) of certification held by the teacher.

9.25.2 Recall

9.25.2a When a position becomes available, the most senior teacher in the area of certification on the recall list shall be recalled.

9.25.2b Teachers hired prior to March 1 shall receive recall rights.

9.25.2c The Director of Human Resources shall notify the teacher of recall by certified mail.

The teacher shall respond within seven (7) days. Failure to accept recall will result in removal from the recall list.

9.25.2d Teachers will not lose recall rights if they refuse a position which is less time than the teaching load held at the time of layoff.

9.25.2e Teachers will not lose recall rights if they refuse a position of shorter duration than held at the time of layoff.

9.25.2f Less than full-time teachers will not lose recall rights if they refuse a full-time position.

9.25.2g When a position becomes available, it shall be posted consistent with Article IX. Transfers will be permitted so long as the transfer does not cause layoff or prevent recall.

9.25.3 Lottery

If the initial seniority date is the same for two (2) or more teachers, seniority shall be determined by drawing lots. The lots shall be administered by the Assistant Superintendent of Human Resources and the Association President with the teacher drawing the lot. (If the teacher is not present, the Association President will draw the lot).

The initial lottery shall be held by November 1st or the first school day thereafter, and all subsequent lotteries on the first of each succeeding month, or the first school day thereafter.

9.25.4 Seniority List

The official seniority list shall be maintained by the Assistant Superintendent for Human Resources who shall update the list and furnish two (2) copies to the Association President on December 1st. Each building

shall be provided with two (2) copies of the Seniority List, and one (1) copy shall be placed in the library and the other in the Principal's office.

9.26 Administration's Designated Positions (ADP)

Special Education teachers who accept employment after January 1, 2003, shall not be permitted to voluntarily transfer for the first three (3) years of employment. In addition, Administration's Designated Positions shall not be posted at the Job Fair. Upon written mutual agreement, the Superintendent and the Association may agree to exclude other positions from the voluntary transfer provision.

9.27 Mentoring

A formal induction program shall be created with the objective of providing an induction coach for beginning teachers with no prior teaching experience.

ARTICLE X **GRIEVANCE PROCEDURE**

10.1 Purpose

Good morale is maintained as problems arise, by sincere efforts of all persons concerned, to work toward constructive solutions in an atmosphere of courtesy and cooperation. The purpose of this procedure is to secure, at the lowest possible administrative level, equitable solutions to the problems which may, from time to time, arise. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.

Nothing herein contained will be construed as limiting the right of any individual having a grievance to discuss the matter informally with any appropriate member of the administration and having the grievance adjusted, provided the adjustment is consistent with the terms of this Agreement.

10.2 Definition

A "grievance" shall mean any complaint by a teacher or the Association that there has been a violation, misinterpretation or inequitable application of any of the provisions of this Agreement, except that the term "grievance" shall not apply to any matter as to which (1) the method of review is prescribed by law, or (2) the Committee is without authority to act.

As "aggrieved person" is the person or persons making the claim.

A "party of interest" is the aggrieved person or persons making the claim and any person who might be required to take action or against whom action might be taken in order to resolve the claim.

10.3 Procedure

Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level should be considered a maximum, and every effort should be made to expedite the process. In the event a grievance is filed on or after June 1, which could result in irreparable harm to a party in interest, the parties agree to make a good faith effort to reduce the time limits set forth so that the grievance procedure may be exhausted prior to the end of the school term or as soon thereafter as is practicable.

In the event a grievance is filed so that sufficient time as stipulated under all levels of the procedure cannot be provided before the last day of the school year, should it be necessary to pursue the grievance to all levels of appeals then said grievance shall be resolved in the new school term in September under the terms of this Agreement and this Article, not under the succeeding Agreement.

STEP ONE – An aggrieved person shall submit his/her grievance to the Association’s PR & R Committee for the purpose of information. The grievance will then be discussed with the aggrieved person’s principal or immediate supervisor with the objective of resolving the matter informally, at which time the aggrieved persons (1) may discuss the grievance personally, (2) may request that the Building Representative accompany him/her, or (3) may request that the Building Representative act in his/her behalf. Ten (10) school days after notification of the person’s principal or immediate supervisor, the aggrieved person may opt to skip Step One and proceed to Step Two. Provided, however, the grievance must be presented in writing to the principal no later than forty-five (45) school days from the time the employee knew or should reasonably have known of the action or event giving rise to the grievance, or it shall be deemed waived.

All communications at STEP ONE shall be oral. Before making final decision the immediate supervisor is encouraged to consult up the supervisory line, and the Building Representative is encouraged to consult up the Association Channel.

STEP TWO – If the teacher is not satisfied with the disposition of his/her grievance at STEP ONE, or if no decision has been rendered within five (5) school days after the presentation of the grievance, he/she may present his/her grievance in writing to the Principal. A hearing on such a grievance shall be held by the principal within five (5) school days of receipt of such written communication, to which the chairman of the PR & R Committee will be invited at which time the aggrieved person: (1) may discuss the grievance personally; (2) may request that the building representative accompany him/her; or (3) may request that the building representative act in his/her behalf. Within five (5) school days after the hearing, the principal shall render a decision in writing to the teacher. Copies of the decision will be sent to the Superintendent and the PR & R Committee.

STEP THREE – If the teacher is not satisfied with the disposition of his/her grievance at STEP TWO, he/she may file the grievance in writing with the Association’s PR & R Committee within five (5) school days after the principal’s written decision. If the PR & R Committee deems the appeal to be meritorious, it will appeal the decision of the principal to the Superintendent. The appeal shall include a copy of the decision being appealed and the grounds for regarding the decision as incorrect.

It shall also state the names of all persons officially present at the prior hearing and such persons shall receive a copy of the appeal. Appeals to the Superintendent shall be heard within ten (10) school days of his/her receipt of the appeal. Written notice of the time and place of the hearing to the aggrieved teachers, the Chairman of the PR & R Committee and the principal previously involved in the grievance. Within ten (10) school days of hearing the appeal, the Superintendent shall communicate to the aggrieved teacher and all other parties officially present at the hearing his/her written decision, which shall include supporting reasons. A copy of the decision shall be sent to the Chairman of the PR & R Committee.

Any grievance based on a complaint that the employee has been placed in the wrong salary schedule or step, or that he/she has been improperly denied an increment, or that his/her salary has been miscalculated, shall be filed directly with the Supervisor of Accounts under the Superintendent of Schools. The Superintendent

shall conduct a hearing on such grievance within fifteen (15) school days and shall render his/her decision in writing within ten (10) school days after concluding the hearing.

STEP FOUR – A grievance dispute which is not resolved at the level of the Superintendent under the grievance procedure herein may be submitted by the aggrieved employee or the Association as specified herein to an arbitrator for decision if it involves the application or interpretation of this Agreement, except that a grievance concerning any term of this Agreement involving Committee discretion or Committee policy may be submitted to an arbitrator for decision only if it is based on a complaint that such discretion or policy was applied discriminatorily, i.e., that it was applied in manner unreasonably inconsistent, with the general practice followed throughout the school system in similar circumstances.

Provided the Association and the Superintendent agree, Step 1 and/or Step 2 of the Grievance Procedure may be bypassed and the grievance brought directly to the next step. Class grievances involving more than one principal, and grievance involving an administrator above the building level, may be filed by the Association at Step 3.

The proceedings shall be initiated by filing with the Superintendent and the Labor Relations Connection (or any other entity that the parties agree to) a notice of arbitration. The notice shall be filed within ten (10) school days after receipt of the decision of the Superintendent of Schools under the Grievance Procedure or, where no decision has been issued in the circumstances described above, three (3) school days following the expiration of the fifteen (15) school day period provided above. The notice shall include a statement setting forth precisely the issue to be decided by the arbitrator and the specific provision of the Agreement involved.

Within ten (10) school days after such written notice of submission to arbitration, the Superintendent and the Association will agree upon a mutually acceptable arbitrator and will obtain a commitment from said arbitrator to serve. If the parties are unable to agree upon an arbitrator or to obtain such commitment within the specified period, a request for a list of arbitrators may be made to the Labor Relations Connection (or other entity) by either party.

The parties will be bound by the Voluntary Labor Arbitration Rules of the Labor Relations Connection (or the American Arbitration Association) regardless of how the arbitrator is selected; except that neither the Committee nor the Association nor any grievant shall be permitted to assert any ground in arbitration if such ground was not disclosed to the other parties in interest prior to the decision being appealed to the arbitrator, or to assert any evidence known but not disclosed prior to the decision being appealed.

The arbitrator shall limit his/her decision strictly to the application and interpretation of the provisions of this Agreement and it shall be binding upon all parties involved. However, he/she shall be without power and authority to make any decisions:

1. Contrary to, or inconsistent with, or modifying or varying in any way, the terms of this Agreement or of applicable law or rules or regulations having the force and effect of law.
2. Involving Committee discretion or Committee policy under the provisions of this Agreement, except that he/she may decide in a particular case, involving Committee discretion or policy, or whether or not the Committee applied such discretion or policy discriminatorily, i.e., in a manner unreasonably inconsistent with the general practice followed throughout the school system in similar circumstances.
3. Limiting or interfering in any way with the powers, duties and responsibilities of the Committee, applicable law and rules and regulations having the force and effect of law.

The costs for the services of the arbitrator will be borne equally by the Committee and the Association.

10.4 General Provision as to Grievances and Arbitration

The filing of pendency of any grievance under the provisions of this Article shall in no way operate or impede, delay or interfere with the right of the Committee to take action complained of, subject, however, to the final decision on the grievance.

Nothing contained in this Article or elsewhere in this Agreement shall be construed to prevent any individual employee from presenting and processing a grievance and having it adjusted without intervention or representation by the Association if the adjustment is not inconsistent with the terms of this Agreement; except that no grievance may be submitted to arbitration without the consent of, and representation by, the Association.

Any party in interest may be represented at all stages of the grievance procedure except arbitration by a person of his/her own choosing except that he/she may not be represented by a representative or an officer of any competing teacher organization. When a teacher is not represented by the Association, the Association shall have the right to present and to state its views at all stages except STEP ONE of the Grievance Procedure.

The sole remedy available to any teacher for any alleged breach of this Agreement or any alleged violation of his/her rights hereunder will be pursuant to the grievance provided, however, that if a teacher elects to pursue any legal or statutory remedy for any alleged breach of this Agreement or any alleged violation of his/her rights hereunder, such election will bar any further or subsequent proceedings for relief under the provisions of this Article.

Failure at any step of this procedure except STEP ONE to communicate the decision in writing on a grievance within the specified time limits shall permit the grievant to proceed to the next step. Failure at any step of this procedure to appeal a grievance to the next step within the specified time shall be deemed to be acceptance of the decision rendered at the step.

The time limits specified in any step of this procedure may be changed in any specific instance by mutual agreement.

All documents, communications and records dealing with the processing of a grievance will be filed separately from the personnel files of the participants.

Forms for processing grievances will be jointly prepared by the Superintendent and the Association. The forms will be printed by the Committee and given appropriate distribution by the parties so as to facilitate operation of the grievance procedure.

The Association agrees that it will not bring or continue, and that it will not represent any employee in, any grievance which is substantially similar to a grievance denied by the decision of any arbitrator, and the Committee agrees that it will apply to all substantially similar situations the decision of an arbitrator sustaining a grievance.

In the course of investigation of any grievance, representatives of the Association will report to the Principal of the building being visited and will state the purpose of the visit immediately upon arrival.

Every effort will be made by all parties to avoid interruption of classroom activities and to avoid the involvement of students in all phases of the grievance procedure.

If any member of the Association's PR & R Committee is a party in interest to any grievance, he/she shall not serve as the Association's grievance representative in the processing of such grievances.

It will be the practice of all parties in interest to process grievances after the regular workday or at any other times which do not interfere with assigned duties; provided, however, that upon mutual agreement by the aggrieved person, the Association, and the Committee to hold proceedings during regular working hours, the grievant and the appropriate Association representative will be released from assigned duties without loss of pay.

The Association shall appoint one (1) representative for each building who shall act in all grievance cases within his/her school. The Association agrees to furnish the Committee with the complete list of such representatives by December 1st of each year. The Association shall have the right to designate the same individual as its representative in one (1) or more schools, or to substitute a different representative for the one (1) originally designated as its representative for a particular school, provided such substitution is made in writing to all parties in interest.

No reprisals of any kind will be taken by the Committee or by any member of the Administration against any party in interest, or any School Representative in the grievance procedure by reason of such participation.

The Weingarten Right

The Right to a Shop Steward in Disciplinary Proceedings

One of the Fundamental rights of collective bargaining is that an employee on request may have a shop steward present if the employee is questioned by the employer about a matter that could lead to disciplinary action against the employee. The right to a steward is a Section 7 right of concerted activity protected by Section 8(a) (1). This is commonly called the Weingarten right, after the Supreme Court decision upholding the Board ruling establishing the basic principal. However, the employee must ask for the steward. The employer has no obligations to tell an employee of the right before questioning begins.

Right to a Safe School State Law 16-2-17

Each student, staff member, teacher and administrator has a right to attend and/or work at a school which is safe and secure, and which is conducive to learning and which is free from the threat, actual or implied, of physical harm by a disruptive student. A disruptive student is a person who is subject to compulsory school attendance who exhibits persistent conduct which substantially impedes the ability of other students to learn or otherwise substantially interferes with the rights stated above, and who has failed to respond to corrective and rehabilitative measures presented by staff, teachers or administrators.
