ARTICLE I
RECOGNITION

- A. The Teachers' Association of Newport (TAN) recognizes the Newport School Committee as the duly elected representative of the people and agree to negotiate only with the School Committee or the negotiation agent or agents officially designated by the School Committee to act on its behalf.
- B. The Committee recognizes the Teachers' Association of Newport as the duly certified representative of a unit consisting of all certified teaching personnel in accordance to and within the authority and limits established by Title 28 of the General Laws of Rhode Island as amended.
- C. Unless otherwise indicated, the employee in the above unit will hereinafter be referred to as "the teacher," and references to male teachers will include female teachers.

ARTICLE II
NEGOTIATION PROCEDURE

- A. Upon request, the Committee agrees to enter into negotiations with TAN over a successor agreement in accordance with the procedures outlined in the Teacher Arbitration Act. Any agreement negotiated between the parties will apply to all persons in the Bargaining Unit and will be reduced to writing and signed by the parties.
- B. This Agreement incorporates the entire understanding of the parties on all issues which were or could have been the subject of negotiation. During the terms of this Agreement, neither party shall be required to negotiate with respect to any such matter whether or not covered by this Agreement and whether or not within the knowledge or contemplation of either or both of the parties at the time they negotiated or signed this Agreement.
- C. This Agreement may not be modified in whole or in part by the parties except by an instrument in writing duly executed by both parties.
- D. Except as otherwise provided in this Agreement, it is agreed that the School Committee retains all rights to manage the City School System, including without limiting the generality of the foregoing, the determination of the goals of the school system, the determination of capital expenditures and the establishment of rules and regulations.

ARTICLE III
GRIEVANCE PROCEDURE

A. Definitions

1. A "Grievance" is hereby defined to mean:
 - a. a claim by the Association based upon an alleged violation or variation from the provisions of this Agreement or the interpretation, meaning, or application thereof,
 - b. claim based upon an event or condition which affects hours, salary, working conditions and other terms of professional employment of a member of the Association covered by this Agreement.
2. An "aggrieved person" is the person or persons making the complaint.
3. A "party in interest" is the person or persons making the complaint and any person who might be required to take action or against whom action might be taken in order to resolve the complaint.
4. Where two (2) or more members of the Bargaining Unit have a grievance, the Chairman of the Grievance Committee, in the name of TAN, may initiate a group grievance on their behalf. In such case a written grievance may be filed at Level Two.
5. When referred to under this Article, days shall mean school days.

B. Purpose

1. The purpose of this procedure is to secure, at the lowest possible administrative level, equitable solutions to the problems which may, from time to time, arise affecting hours, salary, working conditions and other terms of professional employment of teachers. Both parties agree that these procedures will be kept as informal and confidential as may be appropriate at any level of the procedure.
2. Nothing herein contained will be construed as limiting the right of any teacher having a grievance to discuss the matter informally with any appropriate member of the administration, and having the grievance adjusted without intervention of the Association, provided the adjustment is not inconsistent with the terms of this Agreement and that the Association has been given the opportunity to be present at such adjustment and to state its views.

C. Procedure

Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level should be considered as a maximum, and an effort should be made to expedite the process. The time limits specified may, however, be extended by mutual agreement.

In the event a grievance is filed on or after June 1, which if left unresolved until the beginning of the following school year could result in irreparable harm to a party in interest, the time limits set forth herein will be reduced so that the grievance procedure may be exhausted prior to the end of the school term or as soon thereafter as possible.

1. Level One

A teacher with a grievance may first discuss it with his/her principal or, if he/she does not work under a principal, with his/her immediate superior, either directly or through the Association's School Representative, with the objective to resolving the matter informally.

2. Level Two

- a. A grievance shall be initiated in writing within thirty (30) days from the occurrence of the event which is the basis of the grievance, or if the aggrieved person does not have knowledge of the grievance until after the occurrence of the event, within thirty (30) days from when the aggrieved person has knowledge of the occurrence of the event which is the basis of the grievance. The grievance shall be filed in writing with the Superintendent.
- b. Within ten (10) days after the receipt of the written grievance by the Superintendent, the Superintendent will convene a hearing with the aggrieved teacher in an effort to resolve the grievance. Within ten (10) days after the hearing of the grievance at this level, the Superintendent shall make his/her decision in writing and mail it to the grievant.

3. Level Three

Within ten (10) days of receipt of the decision rendered by the Superintendent at Level Two, or if no decision has been rendered within fifteen (15) days after the hearing with the Superintendent, the affected teacher(s) may file the grievance in writing with the School Committee. Within fifteen (15) days after receiving the written grievance, the Committee will meet with the aggrieved person(s) to conduct a hearing with the purpose of resolving the grievance. Within ten (10) days after hearing the grievance the School Committee shall render a decision.

4. **Level Four**

Within thirty (30) calendar days after the decision of the School Committee or within thirty-five (35) calendar days of the hearing, whichever comes first, TAN may submit the grievance in writing to Arbitration. Arbitration shall be initiated by filing with the Superintendent and the American Arbitration Association, a Notice of Arbitration. The Notice shall include a statement setting forth the issue to be decided by the Arbitrator and the provisions of the Agreement involved.

The parties will be bound by the voluntary Labor Arbitration Rules of the American Arbitration Association. The Arbitrator so selected shall decide the grievance except that the Arbitrator shall not have the power to add to, subtract from or modify the express terms of the Agreement.

The Committee and TAN agree to continue the current practice regarding the costs of stenographer and production of transcripts.

D. Rights of Teachers to Representation

1. No reprisals of any kind will be taken by the School Committee or by any member of the administration against any party in interest, any School Representative, any member of the PR&R Committee, or any other participant in the grievance procedure by reason of such participation.
2. Any party in interest may be represented at all stages of the grievance procedure by a person of his/her own choosing, except that he/she may not be represented by a representative or any officer of any teacher organization other than the Association. When a teacher is not represented by the Association, the Association shall have the right to be present and state its views at all stages of the grievance procedure.

E. Miscellaneous

1. Decisions rendered at Levels Two and Three of the grievance procedure will be in writing setting forth reasons thereof. Said decisions will be transmitted promptly to all parties in interest and to the Chair of the PR&R Committee. Failure of the Committee to respond within the time limits at Level One, Two and Three shall permit TAN to appeal the grievance to the next level.
2. All documents, communications and records dealing with the processing of a grievance will be filed separately from the personnel files of the participants.
3. All meetings involving grievances shall be held at times, which will permit those concerned to present their case(s).
4. All proceedings may be private and any disposition shall not be made public without the agreement of all parties.

5. In any matters outside the provisions of this Agreement, all certified personnel shall be free to exercise their rights according to law.
6. While ULP 5025 is being litigated, any group grievance filed by TAN may be heard in closed session, and any grievance filed by an individual teacher shall be heard in closed session.

ARTICLE IV

SALARIES

- A. The salaries of all persons covered by this Agreement are set forth in Appendix "A" which is attached hereto and made a part hereof.
- B. At Employer option depending on the School Calendar, all personnel in the Bargaining Unit shall be paid in twenty-one (21), twenty-two (22) or twenty-six (26) equal installments. Teachers shall notify the employer on or before the end of the prior school year whether they wish to be paid in 21/22 equal installments or 26 equal installments. Paychecks are to be distributed every two (2) weeks beginning with the first Friday following the opening of school; however, dependent upon the School Calendar it may be necessary to give teachers three equal paychecks in September to place them on a payroll schedule to insure that certified payroll is on alternate weeks with non-certified and city staff payrolls.
- C. The School Committee shall elect to pick up and pay employees' contributions as teacher members of the Employees' Retirement System of the State of Rhode Island, in accordance with 16-16-22.1 of the General Laws of Rhode Island commonly referred to as the Retirement Contribution Pick Up Plan.

3. Assignment and transfers of teachers, including the filling of vacancies, shall be made in accordance with the regulations of RIDE. Where two or more applicants are equally qualified, seniority in the Newport School System shall control. In assessing qualifications for an open position the administration may consider any criteria relevant to the vacant position.

Refusal by the teacher to so sign the item shall be noted, dated and signed by the Superintendent.

Salary paid shall be minus the amount of any settlement from the other party involved.
- B. The Committee shall have the right to have the teacher examined by a physician designated by the Committee for the purpose of establishing the length of time during which the teacher is temporarily disabled from performing his/her duties. If the Committee's physician and the teacher's physician do not agree, the opinion of an impartial physician shall be sought and the opinion of said physician as to the said period shall control.

At the beginning of each school year, each teacher will be credited with an advance of the full seventeen (17) days of sick leave for each year which includes the two (2) personal days that they receive each year. The fifteen (15) days of sick leave are to be earned, however, according to number 1 above. In the event that the teacher's employment terminates during the school year and at the time of such termination his/her sick leave account has been overdrawn, the final salary payment to the teacher will be reduced by the amount paid for such overdrawn sick leave days.
4. At teacher's option one (1) sick day may be converted to one (1) personal day for a total of three (3) personal days pursuant to B(2). In no event shall the number of sick plus personal days exceed seventeen (17) per year.
5. If a teacher who has at least four (4) years of service in the Newport Public School System has a prolonged illness and his/her sick leave is exhausted, the teacher may accept up to forty-five (45) days offered by the staff members with four (4) years or more service in the Newport Schools. Subsequent request must be approved by the school committee.

Such maximum may be exceeded at Committee option. Renewal of a LWOP, to be counted as one (1) of the five (5), shall be only with Committee approval, which shall not be unreasonably withheld. A teacher on unpaid leave may elect to receive some or all fringe benefits to which he/she otherwise would have been entitled to the extent the Committee is reimbursed for their cost.

The School Committee, through certified mail with return receipt, shall notify the teacher of the expiration of the leave of absence by January 1st of the year in which the leave is taken. The T.A.N. Said update to be provided within two (2) weeks of the receipt of the request by the teacher. The School Department shall have the right to continue the leave on the basis of said physician letter(s). Failure to submit the physician's letter within two (2) weeks of receipt of request, unless there are extenuating circumstances, may constitute grounds for the termination of catastrophic leave granted hereunder.
4. Application for this leave shall be made to the Superintendent of Schools. The teacher shall have the right of appeal to the School Committee if the request is denied. If denied, the teacher will be allowed to take said leave while the grievance is pending, provided however, that if the grievant is unsuccessful, the

- K. For those current teachers appointed prior to July 1, 1998 who had previously elected to participate in the Extended Health Care Benefit Plan, the School Committee shall provide the health insurance coverage as referenced in Section A above, until the retiree becomes eligible for Medicare. At that time the Committee shall provide up to two single Plan 65 plans provided by Blue Cross for the employee and spouse (if applicable), with 80/20 prescription plan rider and a skilled nursing care facility rider.

The cost share of annual premium payment is to be made annually on or before July 1st.

For those retired teachers appointed prior to July 1, 1998 who elected to participate in an Extended Health Care Benefit Plan the School Committee shall provide the retiree with their elected plan, inclusive of any applicable cost share, until the employee is eligible for Medicare. At that time the Committee shall provide up to two single Medigap plans for the employee and spouse (if applicable), with the riders necessary to provide equivalent coverage to the plan under which they retired. Retirees covered under this plan will pay a three percent (3%) cost share of the annual premium plus the difference in annual premium cost between the equivalent HealthMate Coast to Coast and the retiree's existing plan, said payments to be made annually on or before July 1st.

Any medical benefit cost share and above agreed-upon contractual benefits shall not be changed for employees after the date of retirement. Any cost share requirement for retirees supersedes any language contained in Article XXIX which may be contrary to this clause.

RETIREMENT

A. **Optional State Plan**

The School Committee hereby continues the Optional Retirement Plan it previously had accepted under Rhode Island General Laws 16-7-19.1, the text of which is repeated below:

16-7-19.1 Optional Retirement Plan

Any School Committee may, as a result of a bargaining agreement with its teacher employees, accept by resolution to the Retirement Board an incentive plan to provide supplemental payments for teachers who are eligible for a service retirement allowance at the time they retire, or who become eligible for a service retirement allowance subsequent to their retirement, as follows:

1. As an incentive to retire, the School Committee shall grant at time of retirement a lump sum payment not to exceed one hundred and fifty dollars (\$150.00) for each year of service in that community, up to a maximum of thirty (30) years of service.

Each teacher must notify the School Committee by July 1 of the year in which they intend to retire. The incentive payment shall be paid to such teacher at date of retirement or at the time he/she becomes eligible for a service retirement allowance and no retirement contribution shall be made from such payment.

2. Incentive payments under such plan shall not be included in the final salary of a teacher for the computation of the basic pension due from the retirement plan and such supplemental amount shall be computed as a separate item based on the existing pension formula, including three (3) year average, and such supplemental payment shall then be added to the teacher's basic pension amount.
3. Supplemental payments under this Section shall be applied, in the case of an option, after the optional annuity amount is determined, and shall be continued for the lifetime of the teacher only and not to a beneficiary.
4. Supplemental payments under this Section shall not be included in the original pension allowance subject to any cost-of-living increase provided by §16-16-40.
5. The total of all supplemental payments to retired teachers under this Section shall be reimbursed to the Retirement Board by the school districts on a monthly basis. Whenever any amounts due are not paid within thirty (30) days from the date due, the Board shall levy regular interest on such payments from date due to date of payment.

6. Early retirement incentive and supplemental payments shall be considered a reimbursable expenditure under the state aid formula for education modified as follows:

A minimum reimbursement equal to fifty percent (50%) of approved school incentive payments shall be guaranteed but in no instance shall a city or town receive less than a ten percent (10%) increase over its current entitlement percentage under the formula irrespective of whether said entitlement is less than or exceeds fifty percent (50%), provided that such reimbursement to the school districts shall be made in the subsequent fiscal year that such incentive and supplemental payments are made.

7.
 - a. No teacher who retires after the termination of the plan shall be eligible for any incentive or supplemental payments.
 - b. Any retired teacher who is receiving supplemental payments prior to the termination of the plan shall continue to receive such payments for the remaining lifetime of such teacher, and the school district shall continue to be liable for the reimbursement of such payments at the Retirement Board as provided in paragraph (e) of this Section.

B. **The Newport Early Retirement Incentive Program**

The School Committee hereby continues the Early Retirement Incentive Program adopted April 30, 1975, revised November 7, 1984 and to the extent applicable to members of this Bargaining Unit further amended to read:

The Newport School Committee and the Administration have been very satisfied with the work accomplished by its most experienced teachers and administrators. The Early Retirement Incentive Program will provide for the future use of the many talents of our experienced, eligible employees who might voluntarily enter the program.

The Early Retirement Incentive Program is also designed to help solve potential staffing problems and to enable the School Department to save money in its budget by encouraging those at the maximum salary to retire at an early date.

The specific components of the program are as follows:

1. Personnel interested in the program must notify the Superintendent of Schools, in writing, on or before February 1 of the year prior to their entering the program.
2. The program of early retirement is voluntary. No coercion, direct or indirect, will be used by any member of the school administration.
3. In order to take advantage of the Early Retirement Incentive Program, a teacher must meet the following criteria:

- a. The person must have served satisfactorily for a minimum of ten (10) years with the Newport School Department.
 - b. The person must be currently eligible to receive benefits in the Rhode Island Retirement Association.
4. Any teacher selecting the Early Retirement Incentive Program may be offered work up to a maximum of twenty (20) days per year although the following activities would vary with the individual. It would appear that, in general, the types of activities might include, but not be restricted to, the following:

 - e. Participants in the Early Retirement Plan shall receive all benefits up to age sixty-five (65) at no cost to the participant even if said benefits exceed the five (5) year limit as indicated in 5.a above.
6. Benefits of the Early Retirement Incentive Program for the Newport School Department:
- a. Teachers at maximum would most likely be replaced by teachers at the lower end of the pay scale, thus producing a substantial savings.
 - b. Using experienced teachers as consultants when needed up to a maximum of twenty (20) days per year would provide the Newport School Department with a tremendous resource for developing new programs, upgrading curriculum guides and other materials, etc. The Superintendent shall determine the number of days to be worked up to a total of twenty (20) days for each individual based upon the needs of the School Department.
7. Teachers who do not participate in this program as listed in 4 above may continue to receive their fringe benefits as per this Agreement but will not receive any salary listed in 5.c above.
