

ARTICLE I AGREEMENT

This agreement is made and entered into as of the 1st day of September, 2013, by and between the School Committee of the Town of North Providence, hereinafter referred to as "Employer," and the North Providence Federation of Teachers, Local 920, American Federation of Teachers (AFL-CIO), hereinafter referred to as "Union."

ARTICLE II PURPOSE

The purpose of this agreement is to maintain high quality education and good relations between the teaching personnel and the School Committee and to conform with the General Laws of the State of Rhode Island, Title 28, Chapter 9.3.

ARTICLE III UNION RECOGNITION

Section 1. The Employer recognizes the Union as the exclusive bargaining agent for all certified teaching personnel employed in the North Providence school system engaged in teaching duties, including nurses and guidance teachers, but specifically excluding the Superintendent of Schools, the Assistant Superintendent of Schools, Director of Special Education, Assistant Director of Special Education, Principals and Assistant Principals.

Section 2. Teachers of North Providence may voluntarily request in writing that the Employer deduct Union dues, C.O.P.E dues and 22 Week Club contributions from their pay checks as specified on the signed authorization cards. The Employer shall deduct Union dues, C.O.P.E. dues and 22 Week Club contributions and remit the dues to the Treasurer of the Union in accordance with said authorization(s). Any teacher may revoke such authorization by written request with ninety (90) days' notice.

Section 3. Agency Shop. All members of the bargaining unit covered by this agreement and not members of Local 920, North Providence Federation of Teachers, shall have deducted from their salary fees equal to the dues as set by Local 920. These sums shall be forwarded to the bargaining agent to cover the cost of services performed by the bargaining agent for individuals in the unit.

Nothing herein shall be construed as forcing or inducing anyone to become a member of any teacher organization.

The Union agrees to save harmless the Employer from any action brought by non-members as a result of the implementation of this provision.

Section 4. Members of the faculty shall be free to join or not to join any organization of teachers. No member of the faculty shall be discriminated against because of membership in the Union. No member of the faculty shall be propagandized directly or indirectly against joining or continuing membership in the Union by any person in a supervisory or administrative capacity.

Section 5. Bulletin boards will be made available in each school in the teachers' lounge or at a location mutually agreeable between the Superintendent and the Union. In schools with separate lounges for men and women, a bulletin board will be made available in each lounge. These bulletin boards will be used solely for the posting of notices of Union meetings. Any other notices to be posted on these bulletin boards must first be submitted to the Superintendent for his/her approval.

Section 6. The Union shall be given a copy of all resolutions adopted by the Employer affecting wages, hours, or conditions of employment within seven (7) days of the meeting at which they were adopted.

Section 7. The employer, not later than fourteen (14) working days after written notice to the Superintendent, shall provide the Union with the information and statistical data necessary to enable it to compute the cost of future proposals, or necessary for the proper enforcement of the terms of this agreement.

Section 8. The Union shall be provided with three (3) copies of the School Committee's current by-laws and any amendments thereto as they are issued.

Section 9. In the event that any forthcoming public meeting of the School Committee shall include discussion of wages, hours and/or working conditions on its agenda, the Union shall be notified thereof three (3) days in advance.

Section 10. This Agreement shall be binding upon the successors and assigns of the parties hereto, and no provisions, terms, or obligations herein contained shall be affected, modified, altered or changed in any respect whatsoever by its consolidation, merger, annexation, transfer or assignment of either party hereto or by any change geographically or otherwise in its location or place of business of either party hereto. The Union agrees to save harmless the School Department from any dispute that may arise due to the implementation of this section.

Section 11. If any provision is or shall be at any time determined by final order or decision of a court, tribunal or agency of competent jurisdiction to be contrary to law, then such provision shall not be applicable or performed or enforced except to the extent permitted by law. In the event that any provision of this agreement is or shall be at any time contrary to law all other provisions of this agreement shall continue in effect.

ARTICLE IV GRIEVANCE PROCEDURE

Section 1. A grievance shall mean a complaint by the Union or by a teacher and the Union that there has been a violation, misinterpretation or inequitable application of any of the provisions of this agreement, or that a member of the bargaining unit has been treated unfairly or inequitably or discriminated against for any reason.

Grievances shall be handled in the following manner: All grievances shall be submitted in writing on a special "Grievance Report" form in duplicate, signed by both the aggrieved teacher and the Union representative or a member of the Grievance Committee, and the report filed with the Principal. A copy of the grievance report form is attached and made part of this contract as Appendix A.

Step 1. A meeting shall be held between the aggrieved teacher, the Principal of the school and the Union representative to resolve the grievance. The Principal will arrange a meeting within four (4) school days from the time a grievance is received by him/her, and he/she shall give the Union his/her answer in writing within two (2) school days after such meeting. If the matter is not satisfactorily settled; then,

Step 2. A meeting shall be held between the Superintendent and the aggrieved teacher and his/her Union representative or a member of the Grievance Committee. The Superintendent will arrange a meeting within five (5) school days from the time a grievance is referred to him/her, and he/she shall give the Union his/her answer in writing within five (5) school days after such meeting. If the matter is not satisfactorily settled; then,

Step 3. A meeting shall be held between the Employer and a Grievance Committee, consisting of not more than three (3) people, representing the Union; the aggrieved teacher may or

may not be present, at the option of the teacher. The Employer will arrange a meeting within twenty-five (25) school days from the time a grievance is referred to them. The Employer will give the Union its answer in writing within ten (10) school days after such meeting. If the matter is not satisfactorily settled not later than thirty (30) calendar days following the receipt by the Union of the Employer's written answer; then,

Step 4. The grievance shall be referred, at the request of either the Employer or the Union, to an Arbitrator selected pursuant to the rules of the American Arbitration Association. The cost of such arbitration shall be paid for equally by the Union and the Employer. The settlement of any dispute at any stage of the foregoing procedures or the decision of the Arbitrator of any such dispute shall be final and binding upon all parties concerned. No adjustment resulting from a grievance processed through this procedure shall be retroactive to a date preceding the date on which the action or matter referred to in the grievance last occurred previous to the presentation of the grievance in Step 1.

In cases where the grievance steps cannot be completed during a school year and in cases of grievances initiated during the summer vacation period, the meeting and response time limits listed in Steps 1, 2 and 3 shall be weekdays rather than school days.

Section 2. A general grievance shall be specified as being a General Grievance, and it shall be submitted in writing on the special "Grievance Report" form in duplicate, signed by the President of the Union or his/her representative, and filed with the Superintendent. A general grievance shall be processed in the same manner outlined in the Grievance Procedure, but starting with Step 2.

Section 3. For purposes of processing grievances, a Union representative shall be the appropriate regular building delegate from the school concerned, or a member of the Grievance Committee. If the appropriate building delegate is not available, another delegate or an alternate delegate shall serve in his/her stead. The Employer shall be supplied with a current list of all building delegates, alternates, and members of the Grievance Committee, together with any changes as they occur.

Section 4. Any grievance which is not presented within thirty (30) calendar days of the date of the occurrence shall be deemed to be waived unless the grievant was not aware of the circumstances which gave rise to the grievance. The counting of the thirty (30) days shall stop on the last school day prior to vacations and resume upon the reopening of school.

Section 5. Except in the circumstances listed in part two below, the following information shall be confidential and may not be released or otherwise made available to the public by the parties to this agreement without written agreement by the school department and the union.

- (c) To the extent either the union or school department seeks to utilize the same regarding asserting any of their respective rights in any proceeding, grievance, arbitration or similar matter.

ANNUAL MAXIMUM BENEFIT means the total WE pay each calendar year for services associated with a particular condition or service.

ANNUAL MAXIMUM EXPENSE means the total amount of Co-payments that YOU must pay each calendar year for covered services provided by nonparticipating hospitals, facilities, doctors and other health care providers.

YOUR Annual Maximum Expense is twenty percent (20%) of OUR Allowance or the provider's charge for the above services received in a calendar year and must total:

- (a) \$1,000 if YOU have an individual membership; OR
- (b) \$1000 per person up to a maximum of three(3) family members if YOU have a family membership.

WE will pay up to 100% of OUR allowance for the remainder of the calendar year once YOU have paid the Annual Maximum Expense.

Co-payment amounts You pay for the following services will NOT be applied to the Annual Maximum Expense. OUR Allowance will never increase for these services.

- (a) infertility treatments;
- (b) Inpatient and Outpatient Substance Abuse Treatment;
- (c) Inpatient and Outpatient mental health services; and
- (d) Prescription drugs.

Deductibles, penalties and office visit Co-payments will Not be applied to the Annual Maximum Expense.

Notwithstanding anything therein to the contrary, the North Providence School Committee shall pay to all teachers, spouses and/or their dependents enrolled in the medical coverage who utilize non-participating hospitals, facilities, doctors and other health care providers, any and all Co-payments as set forth above, so that

said teacher, spouse and/or dependent incurs no Annual Expense as referred to therein.

One (1) day shall be given to attend funeral services for the following: aunt, uncle, niece, nephew, brother-in-law, sister-in-law, provided the funeral is on a school day.

For example, if an employee's parent died on Wednesday of a vacation week and the employee would have taken Thursday and Friday as bereavement days (had school been in session), then the employee would be allowed three days during the following school week. Bereavement days may not be "banked"; a death in July does not entitle an employee to bereavement days in September.

Section 4. Jury Duty. Teachers who serve on jury duty shall receive the difference between their regular salaries and jury pay during the period of such service.

BY-LAWS FOR THE SICK LEAVE POOL NORTH PROVIDENCE FEDERATION OF TEACHERS LOCAL #920, AFT, AFL-CIO

I. CREATION

1. Any teacher, administrator, and other certified personnel who wishes to do so may contribute two (2) of his sick days to sick leave pool.
2. Days contributed to the pool by the above-mentioned individuals in the North Providence School System shall be considered cumulative and non-returnable, and will remain in the pool as long as the said pool continues to operate. If, however, the members at some future date may wish to terminate the existence of the pool, all unused days will be returned to the member in a fashion decided upon by the pool's Board of Governors.
3. The Board of Governors will decide how many new days will be added, and the manner by which they will be collected.
4. It is to be understood that any teacher, administrator, or other certified personnel entering the North Providence School System in the future shall have the right to contribute to this pool.

II. ADMINISTRATION

1. The SLP shall be governed by a six (6) member committee, four (4) members appointed by the President of Local 920, and two (2) members appointed by the Chairman of the School Committee. The issue of the composition of the board shall be revisited in the second year of the agreement.
2. This committee shall be called the SLP Board of Governors, and its members shall serve for two (2) years. Members may be reappointed by the President or Chairman.
3. The members of the Board shall elect one of their own number to serve as Chairman, also for a period of two (2) years.
4. The Chairman will maintain all records of the pool and shall present an accounting of the pool's operation to the general membership at the Annual Meeting.

III. OPERATION

1. It is to be understood that the purpose of this pool is to provide extra sick days to those members suffering from a long-term, serious and/or chronic illness/injury, but only after they have exhausted all of their own yearly, accumulated, and carryover sick leave.
2. In order for a member to be eligible to draw from the pool, he must be a contributing member of the pool.
3. Upon approval of these By-Laws by the Board of Directors, all certified personnel will be asked within thirty (30) days from the date of approval, to fill out a form authorizing the Superintendent of Schools and the North Providence School Committee to withdraw two (2) sick days from his total sick leave, and to transfer these two (2) days to the sick leave pool. In future years, only new personnel will be asked to fill out this form, and this must be done within thirty (30) days from the beginning of their employment in the North Providence School System.

APPENDIX-B-2

IV. USE OF THE POOL

1. After a member has exhausted all of his own yearly, accumulated, and carryover sick leave and if s/he then is out of school for five (5) additional, consecutive school days, s/he may apply in writing to the Board of Governors for additional sick leave, to be drawn against the pool. Each day will be paid at 80% of the teacher's/administrator daily rate of pay.
Qualified teacher is defined as a participating teacher/administrator who suffers from an incapacitating illness/injury that is long term, serious, and/or chronic and renders the teacher/administrator unable to perform her/his duties as a teacher/administrator.
2. Upon receipt of this written request, the Chairman of the Board of Governors shall call a meeting of the Board to decide upon the merit of the request. If the Board decides to award the requested leave, the award will be retroactive to the first day after which the member had exhausted his own sick leave. The member requesting this leave shall be informed in writing of the Board's decision, only in the event that the request is denied. The decision of the Board of Governors shall not be subject to the grievance procedure.
3. Once the sick leave has been granted, the member may continue to draw against the pool as long as he remains out of school provided that he submit a letter from his doctor every thirty (30) calendar days indicating that he is unable to return to work.
4. If the member draws more than sixty (60) days from the pool, the teacher must submit to an independent medical examination. The cost of this exam is to be shared equally by the union and the school department.
5. If a school year ends and a member remains ill to the extent that he cannot return to work in September of the following school year, he must resubmit a letter of application for further sick days to the Board of Governors.
6. The Board of Governors shall have the power to waive any of the above provisions when they feel the circumstances warrant such action.

V. CHANGES

1. Once adopted by the Board of Directors, these By-Laws are not subject to change or amendment without the prior approval of the Board of Directors.
2. Any member who wishes to change or amend these By-Laws must submit the proposed changes in writing to the Board of Directors and the Board of Governors for approval.

APPENDIX C

National Board for Professional Teaching Standards (NBPTS) Certification

The School Committee and the Union believe in the value and importance of professional growth and development for teachers as essential in helping students achieve high standards. The School Committee and the Union recognize the NBPTS certification process as a highly effective means for teachers to engage in this essential professional development.

1. The School department and the Union shall encourage teachers to undertake voluntarily the assessment process to become National Board certified teachers.
2. The School Department shall assist and support the efforts of National Board certification candidates using restricted professional development resources by providing up to five(5) professional development release-time days, and supportive loaned materials and equipment, such as video cameras, editing equipment and computers, etc. in the possession of the School Department. Professional development release-time days shall be used exclusively for activities related to the National Board certification assessment process.
3. Completing the national Board certification assessment process, but not acquiring certification, qualifies a teacher to receive six (6) district-approved credits toward the advanced increment schedule set forth above. The teacher shall provide documented verification that he/she has completed the certification assessment process.
4. It is expected that National Board-certified teachers continue to work with the students of North Providence in various capacities. The school Department and the Union will explore other possible roles that National Board-certified teachers may play in the improvement of the education provided for North Providence's students. Such other roles and activities may include, but not be limited to, mentoring, planning, and delivering professional development, facilitating school improvement, and/or developing curriculum.
