The School Committee of the City of Woonsocket, Rhode Island, hereinafter called "the Committee" and the Woonsocket Teachers' Guild, Local #951, American Federation of Teachers, AFL-CIO, hereinafter called "the Guild" or "Union," and

WHEREAS both parties above named believe in the importance of public schools as an agency for the preservation and extension of our democracy; and

WHEREAS the parties to this Agreement have a common goal -- that of providing the best possible public education for all children; and therefore agree effective this first day of **July, 2010**, to implement the terms of this Agreement to the best of their abilities.

THEREFORE the parties agree as follows:

ARTICLE I - Scope of Agreement

- 1-1.01 This Agreement shall apply to all teachers as defined by Section 1, Chapter 1775, of the Public Laws of Rhode Island, 1946.
- 1-1.02 It does not apply to the Superintendent of Schools or his/her assistants.
- 1-1.03 It does not apply to principals and vice-principals.
- 1-1.04 It does not apply to per diem substitutes.
- 1-1.05 Part time teachers shall be covered by the same terms and conditions of this Agreement as full-time employees. However, said terms, conditions and benefits shall be provided at a rate commensurate with the ratio of time worked.

ARTICLE II - Union Recognition and Rights

Section 1: Union Recognition

- 2-1.00 The Woonsocket School Committee recognizes the Woonsocket Teachers' Guild, Local 951, American Federation of Teachers, AFL-CIO, as the sole bargaining agent for all teachers of the Woonsocket Education Department.

Section 2: Dues Deductions

- 2-2.01 Upon receipt of a written authorization from a teacher, submitted through the Guild, the School Committee agrees, for the term of this Agreement or until such authorization is revoked, to deduct Union membership dues from a teacher's check.
- 2-2.02 The Woonsocket Teachers' Guild shall notify the Director of Administration and Finance by written communication of any changes to be made from the list of teachers having Union dues or service fees deducted from checks. No changes shall be made without such written authorization from the Guild.
- 2-2.03 The Woonsocket Education Department shall make available to the Woonsocket Teachers' Guild the address and assignment of these teachers.

Section 3: Building Use

- 2-3.01 The Guild may have the right to use school buildings for meetings provided that such use does not interfere with or hinder the instructional program in any way. The school principal involved must be notified at least three (3) days in advance of the time and place of such meetings, except in cases of emergency. If the use of said school building or buildings by the Guild results in any expense to the Committee for utilities and/or custodial services, the Guild shall reimburse the Committee for such expense.
- 2-3.02 If the above conditions are complied with and if the building is not being used on the particular day requested, it can be expected that permission will be granted.

2-3.03 However, the Guild shall not be required to make any reimbursements to the Committee for building use for its three (3) scholarship programs or annual election, limited to a maximum use of four (4) days.

Section 4: Distribution of Guild Materials

2-4.00 The Guild shall have the right to distribute to its members, by use of the teachers' mailbox, Guild bulletins, leaflets, and pamphlets. Students shall not be used for distribution of Guild materials.

Section 5: Bulletin Boards

2-5.00 Space shall be made available to the Guild on bulletin boards in teachers' rooms for the purpose of posting notices and bulletins relative to the activities of the Guild. The Principal shall be shown the material prior to posting.

Section 6: Discrimination

2-6.00 No member of the faculty shall be discriminated against because of membership in or participation in activities on behalf of the Guild.

Section 7: Agency Shop

2-7.01 Every member of the bargaining unit shall become a member of the Guild or be subject to a service fee to be paid to the Guild, payable in such amounts and under the same terms including voluntary payroll deductions and at such time as the union dues and assessments are payable.

2-7.02 This shall not apply to any teacher on tenure as of March 1, 1969. All other teachers, including members of the Guild on record as of September 1, 1969, shall be required as a condition of continued employment, to comply with this requirement.

2-7.03 Coaches and advisors hired after August 31, 1997 and who are not members of the WTG shall pay a service fee to the Woonsocket Teachers' Guild based on ten (10) percent of their stipend.

Section 8: Union Conference Leaves

2-8.01 In instances where the attendance of an officer of the Union is required for conference at the request of the administration, he/she shall be released from his/her teaching duties with no loss of pay.

2-8.02 Where the request is initiated by the Union president for reasons of an emergency nature and with the permission of the Superintendent, or his/her designee, he/she may be released from his/her teaching duties with no loss of pay.

Section 9: Union Delegate Leaves

2-9.01 No more than five (5) members of the Union shall be allowed to attend meetings as official delegates of the Union with no loss of pay.

2-9.02 No more than fifteen (15) days in toto shall be used during the school year for such meetings.

2-9.03 No more than three (3) members from the same secondary school or two (2) members from the same elementary school may be released to attend any one meeting.

2-9.04 A written request must be submitted to the Superintendent, or his/her designee, five (5) days in advance of the meeting for which the leave is being requested.

Section 10: School Committee Agenda

2-10.00 A copy of the open School Committee meeting agenda shall be made available to the Guild after it has been received by the School Committee members; but at least twenty-four (24) hours before the School Committee meeting.

Section 11: Released Time for Union President

2-11.00 The President of the Woonsocket Teachers' Guild, or his/her designee, shall at his/her request be granted a reduced teaching schedule as follows:

A teaching schedule equivalent to 3/5ths of a regular teacher's program. The President of the Woonsocket Teachers' Guild, or his/her designee, shall be paid as a full time employee and the WTG will reimburse 2/5 of salary, pension and social security costs to the Woonsocket Education Department. Fringe benefits, seniority etc., will be maintained.

ARTICLE III - Employer's Rights

Section 1: Recognition

3-1.00 The Guild recognizes that in the operation of the Woonsocket Education Department, the School Committee is charged by the statutes of the State of Rhode Island and Providence Plantations and policies promulgated by the Board of Regents for Education.

Section 2: Management Rights: Operation of Schools

3-2.01 The Guild, on behalf of all its members, agrees that it shall not, without permission, enter into union activities during school hours and that members will give their best efforts to their teaching duties and make such duties their primary interest.

3-2.02 The Guild recognizes the administration's right to direct the operation of the schools.

3-2.03 It is understood and agreed by the parties that the School Committee possesses the sole right to operate the school system and that all management rights repose in it and the administration, but that such rights must be exercised consistently with the other provisions of this Agreement. These rights include but are not limited to the following:

- (g) Discipline and discharge for cause.

3-2.04 Nothing in this Agreement shall deprive the School Committee of its responsibilities delegated to it by the laws of Rhode Island.

3-2.05 However, the School Committee agrees that any revision in wages, hours, working conditions, and existing contractual items requires negotiation with the Guild prior to any implementation.

ARTICLE IV - Fair Practices

Section 1: Anti-Discrimination Clause

4-1.00 In accordance with Committee policy, there shall be no discrimination against any employee or any candidate for promotion on the basis of race, creed, color, national origin, sex, age, marital status, or membership in the Guild.

4-2.00 Policies adopted or maintained by any administrator shall not be inconsistent with the terms of this contract.

Section 2: Exclusion and Re-admission

5-2.01 A teacher may exclude from his/her class a pupil who, in the teacher's opinion, is causing serious disruption. The teacher shall confer with the principal or assistant principal to provide the necessary information concerning the problem and shall provide a statement of the problem in writing within twenty-four (24) hours. The administrator shall confer with the

teacher prior to the re-admission of the excluded pupil to the class in which the incident occurred.

5-2.02 Upon exclusion, the pupil will be sent with a transmittal slip, which indicates the nature of the referral, to the appropriate administrator.

The Committee shall be comprised of a school committee member, the superintendent, the Guild president, three administrators representing the elementary, middle and high school levels selected by the superintendent and three teachers representing the elementary, middle and high school levels selected by the Guild president. When volunteers are not forthcoming, the principal may assign teachers who are not serving in another voluntary capacity to work additional time, such time to be recouped the following week. When feasible, assignments shall be rotating, made at least one week in advance, and shall be based on inverse seniority order.

Common Planning Time:

Upon the agreement of the Superintendent and the President of the Woonsocket Teachers' Guild, an emergency meeting(s) may be called for special circumstances. Teachers who are required to submit direct service logs or administrative time studies for Medicaid reimbursement will be required to also attend any and all relevant training sessions. This training may count toward professional development contact hours.

6-7.02 It shall be the duty of the teacher to attend punctually all meetings and no excuse for absence will be allowed other than would justify an absence from a regular session of school.

6-7.03 Notice of such meetings shall be given two (2) days in advance of such meetings except in an emergency situation.

6-7.04 Teachers who are enrolled in educational courses which require their attendance during an afternoon session will be excused to fulfill course obligations. Verification of enrollment will be required.

6-17.02 These sessions will be teacher involvement sessions designed for dialogue relative to school and educational issues.

 - d. Sick leave shall not accrue while an on-the-job injury continues.
 - e. The benefits outlined above shall be applied once for each separate unrelated on-the-job injury.

- 8-2.04 This shall include teachers on leave of absence which do not exceed one (1) year. Those teachers on extended leaves without pay will not be included.
- 8-2.05 However, those teachers on leaves of absence without pay shall be allowed to maintain this coverage while on leave by paying the school department at the group rate. Payments under this section are due by the 15th day of each month. If the payment is not received by the due date, cancellation of this coverage shall result.
- 8-2.06 A new teacher will be provided with the medical insurance plan herein outlined effective the first day of the month following the date he/she begins to teach in the Woonsocket Education Department.

- b. Employees who are currently covered by a family plan may opt to have two (2) individual plans only when both individuals are employed by the Woonsocket Education Department and have no eligible dependents.
- c. The term "medical coverage" throughout the Collective Bargaining Agreement shall mean all hospital, physician, dental, and other medical benefits and coverage.
- 8-2.08 Teachers who retire from the Woonsocket Education Department after June 1, 1983, and who are between the ages of fifty-five (55) and sixty-five (65) inclusive shall be allowed to maintain the coverage provided under Section 8-2.01 by paying the Education Department at the group rate, provided such coverage is otherwise available. Payments under this section are due by the fifteenth (15th) day of each month. If the payment is not received by the due date, cancellation of this coverage shall result.
- 8-2.09 Any teacher who is terminated, suspended, laid off, or whose contract is non-renewed, who appeals this action shall be allowed to maintain the coverage provided in 8-2.01 while the appeal is pending by paying the Education Department at the group rate, provided such coverage is otherwise available. Payments under this section are due by the fifteenth (15th) day of each month. If the payment is not received by the due date, cancellation of this coverage shall result.
- 8-2.10 Teachers on personal leaves of absence shall not be entitled to medical benefits or buy-backs.

Section 3: Term Life Insurance

- 8-3.00 All employees covered by this Agreement shall be provided with a group life insurance policy having a face value of ten thousand dollars (\$10,000) at no cost to the employees.

Section 4: Sick Leave

- 8-4.01 Sick leave benefits are provided in order to lessen personal financial hardship and apply only in cases of bonafide personal illness, in which event fifteen (15) days per year shall be allowed, cumulative to one hundred sixty (160) days. All teachers who terminate their service before the completion of a full school year shall have their current year sick days pro-rated for the amount of time worked. Teachers on an unpaid leave status or absent due to a work-related injury shall not be credited with the fifteen (15) sick days until such time as they return to work. Upon return, sick days that may be credited during a period of unpaid leave or absent due to a work-related injury shall be pro-rated to the amount of days worked during that school year.

Non-tenured teachers shall earn these days on a monthly basis but shall be credited with fifteen (15) days sick leave beginning the first day of the school year. Any unused portion thereof shall be added to his/her accumulated balance in June; any days taken but not earned shall be paid back to the School Department. However, the cumulative balance cannot exceed the totals set forth above.

- 8-4.02 If a teacher does not use any sick days during the school year, he/she shall be credited with an additional five (5) days of sick leave for that school year, one (1) day absence

receives four (4) bonus days, two (2) days absence receives three (3) bonus days, three (3) days absence receives two (2) bonus days, four (4) days absence receives one (1) bonus day, which will be kept in a separate "bonus" account. Teachers who have their pay docked for any reason shall forfeit the bonus days. This bonus account shall not be drawn upon until the teacher's regular cumulative balance has been exhausted. This provision shall be considered retroactive to the contract commencing 9/1/83.

- 8-4.03 Each September, every teacher may ask for the number of sick days he/she has accumulated as of the beginning of that school year.
- 8-4.04 Any teacher absent due to illness, who reports intent to return to duty after the time designated, and a substitute has been committed as a replacement, shall not report on that day with resulting loss of pay.
- 8-4.05 At the discretion of the Superintendent, or his/her designee, a teacher absent for more than five (5) consecutive school days shall submit a doctor's statement certifying that the teacher cannot perform his/her assigned responsibilities. In the event of a lengthy illness, a statement shall be submitted every fifteen (15) days.
- 8-4.06 The Guild agrees to use its best efforts to correct abuse of sick or other leaves.
- 8-4.07 The Superintendent, or his/her designee, shall grant leave to teachers at full pay within the school year for a teacher whose presence is required by his/her immediate family, or other person residing in the same household, due to serious illness. This leave will be deducted from the teacher's accumulated sick leave.
- 8-4.08 Absences during the summer, evening sessions and/or vacation periods, and special programs shall be without pay.
- 8-4.09 Medical coverage shall be provided to employees after all applicable sick days have been exhausted. Said coverage would be limited to one month of paid coverage (under the contractual terms that exist for said employee's coverage) for every two (2) full years of service in the Woonsocket Education Department.

Section 5: Temporary Leave

- 8-5.01 In event of the death of a parent, brother, sister, husband, wife, child, or other person residing in the same household, five (5) day's absence shall be allowed from the date of death, excluding weekends and holidays, with no loss of pay.
- 8-5.02 In the event of the death of a grandparent or grandchild, brother-in-law, sister-in-law, aunt, or uncle, or any close member of the employee's or spouse's family, one (1) day's absence shall be allowed to attend the funeral with no loss of pay.
- 8-5.03 In the event of the death of a father-in-law or mother-in-law, two (2) days' absence shall be allowed from the date of death, excluding weekends and holidays, with no loss of pay, with additional days allowance at the discretion of the Superintendent, or his/her designee, with said extra days to be deducted from sick leave.
- 8-5.04 In event of quarantine by the Health Department due to personal and/or family illness, or call to jury duty, or in compliance with court requirements on behalf of others, absence shall be allowed with no loss of pay. But in no case shall this section apply if the teacher is appearing as a result of a criminal action brought against him/her or in a civil case in which he/she is a party, except as provided in Section 8-5.05.
- 8-5.05 A teacher shall be granted the time necessary to appear in court in any legal proceedings arising from his/her employment with the Woonsocket Education Department if he/she is required by law to attend.

- 8-5.07 Teachers called for selective service physical and/or mental examinations shall be excused without loss of pay.
- 8-5.08 In the event an employee needs additional days beyond those specified in the contract, additional day(s) allowance **shall** be granted with said extra days to be deducted from sick leave. These days will not impact the sick day bonus account language (8-4.02).

- 8-5.09 Teachers shall be allowed two (2) days leave each year for personal reasons without loss of pay. The Superintendent or his/her designee must be notified one (1) day prior to taking such leave.
- 8-5.10a A teacher may carry forward to a subsequent year a maximum of four (4) personal days from any and all prior years. Thus a teacher can never have more than six (6) personal days in any year.
- 8-5.10b During the life of this contract, the Guild will work with the Superintendent to avoid any excess demands for personal days on any one day that would result in the Education Department not being able to cover classes.
- 8-5.11 Teachers wishing to participate in a buy-back plan for personal day(s) may do so by requesting, in writing, that the school department pay them a rate of fifty dollars (50.00) per day in exchange for their personal day(s). Such requests shall be made by May 31.
- 8-5.12 When school is in session, weather conditions for travel to and from school shall not be valid reason for personal leave.

Section 6: Childbirth and Parental Leaves

- 8-6.01 A leave of absence shall be granted to a teacher upon request for childbirth or childrearing, or acceptance of a foster child and/or adoption of a child.
- 8-6.02 Childbirth: Recovery from childbirth shall be treated as any other temporary disability in terms of accumulated sick leave, seniority, tenure, pay, medical insurance benefits, and all other fringe benefits. Accumulated sick days up to thirteen (13) consecutive weeks, documented by a physician, may be used. This leave will terminate upon release by the teacher's physician.
A teacher planning to take a childbirth leave shall notify the Superintendent or his/her designee of her intention to leave thirty (30) days prior to the start of such a leave. However, this advance notice shall not apply in the case of medical emergency. The teacher shall give the Superintendent or his/her designee fifteen (15) days' notice of her intention to return to teaching duties from such leave.
Upon returning, the teacher shall be placed in the same position that she left; however, if the position no longer exists, then she shall be placed in as nearly a comparable position as is feasible.
- 8-6.02a Acceptance of a foster child and/or adoption of a child leave shall be at the option of the teacher and at the sole discretion of the Superintendent or his/her designee. This leave can be for six (6) consecutive weeks and personal time shall be discharged first and then sick time, up to the combined six-week period.
- 8-6.03 Subject to Sections 8-6.05 through 8-6.09, a short-term parental leave shall be granted to a teacher upon the following conditions:
 - a. Birth of child; or
 - b. Acceptance of a foster child; or
 - c. The adoption of a child.
 Such a leave shall be for the purpose of childrearing and shall not exceed one (1) year.
- 8-6.04 Subject to Sections 8-6.05 through 8-6.09, an extended parental leave shall be granted to a teacher upon the following conditions:
 - a. Birth of child; or
 - b. Acceptance of a foster child; or
 - c. The adoption of a child.
 Such a leave shall be granted for the purpose of childrearing and shall be granted for a maximum period not to exceed two (2) years.
If a teacher is granted an extended parental leave, she/he must work one (1) full school year after said leave terminates, and thereupon she/he shall be eligible to request a leave for one (1) year upon the birth of a second child, acceptance of a second foster child, or adoption of a second child.
The granting of a second year of such leave is at the discretion of the School Committee. If granted, the leave must commence immediately upon the expiration of the preceding leave of one (1) year.

Any and all leave time under this section, 8-6.04, shall be available for request by the teacher only once during her/his career as a teacher in the Woonsocket Education Department.

8-6.05 Whenever a teacher requests a leave for childrearing (either upon the birth of a child, the acceptance of a foster child, or the adoption of a child), she/he must request either a short-term parental leave not to exceed one (1) year under Section 8-6.03, or an extended parental leave under Section 8-6.04.

A. If she/he is granted a short-term parental leave:

1. She/he shall not be entitled to request for the same child an additional short-term parental leave, unless the initial short-term parental leave was for a period less than one (1) year, in which case she/he may request additional leave for the same child if the additional leave and initial short-term leave do not exceed one (1) calendar year in toto. The request for the additional leave must be made one (1) week prior to the expiration of the initial leave and must commence immediately upon the expiration of the initial leave.
2. She/he shall not be entitled to request an extended parental leave under Section 8-6.04 for the same child.

B. If she/he is granted an extended parental leave:

1. She/he shall not be entitled to a short term parental leave for the same child, and
2. She/he shall not be entitled to an additional extended parental leave for said child as stipulated in Section 8-6.04.

8-6.06 Any and all leaves granted under 8-6.03, 8-6.04, 8-6.05 or 8-8.00 shall be without pay and without any of the benefits included in this contract or otherwise available as fringe benefits except as provided for in Section 8-2.05.

8-6.07 Requests for any leaves under the childrearing provisions must be in writing and directed to the Superintendent or his/her designee thirty (30) days prior to condition giving rise to the request, said conditions being either the birth of a child, acceptance of a foster child, or the adoption of a child.

8-6.08 All leaves for childrearing must commence immediately when granted.

8-6.09 To clarify the foregoing, it is understood that in no event may a combination of a short-term leave and an extended parental leave be used for the same child.

8-6.10 A teacher who is granted a short-term or extended parental leave shall notify the Superintendent, or his/her designee, no later than February 1st of intention to return to teaching duties the following September.

8-6.11 Return from a short-term leave or an extended parental leave may be postponed by the School Committee until the beginning of the next school year, following the expiration of such leave.

In the case of short-term leave, the teacher will be placed in the positions she/he left; however, if the position no longer exist, then she/he shall be placed in as nearly a comparable position as is feasible.

In the case of extended parental leave, the teacher must be placed in as nearly a comparable position as is feasible.

8-6.12 A teacher who elects under 8-6.03 a short-term parental leave must return to service before requesting another short-term parental leave for another child. The return to service must be for a period of time equal to the short-term parental leave previously received. The time extended by management under 8-6.11 shall not count in the determination of the time period under this section.

8-6.13 Commencing at the start of the 2000-2001 school year, the Administration and Guild will establish a joint committee consisting of 3 representatives from the WTG and three representatives from the Administration to re-write, as necessary, the entire section dealing with Childbirth and Parental leaves to be in compliance with FMLA.

Section 7: Academic and Sabbatical Leaves

8-7.01 Academic and sabbatical leave may be granted to a teacher for full time graduate study in his/her teaching field or for other reasons of value to the Woonsocket Education

Department for no more than two (2) semesters with the approval of the School Committee, and subject to the following:

- 8-7.02 If a teacher has completed three (3) consecutive full time school years of service in the Woonsocket Education Department, and thereafter he/she receives a fellowship or scholarship requiring his/her absence from teaching duties to fulfill same, he/she shall be entitled to an academic leave for no more than two (2) semesters for such purpose. Such leave shall be without pay and without any other fringe benefits provided in this contract, except as provided in Article VIII, Section 2.04.
- 8-7.03 Sabbatical leaves shall be granted only to teachers who have completed at least seven (7) consecutive full time school years in the Woonsocket Education Department. Such leave shall be granted to a maximum of five (5) teachers at the same time.
- 8-7.04 All requests for such academic or sabbatical leaves shall be submitted to the Superintendent, or his/her designee, by February 1st preceding the school year for which leave is requested.
- 8-7.05 The Committee shall take action on all requests for such academic and sabbatical leaves no later than June 1st following application date.
- 8-7.06 A teacher on sabbatical leave shall be paid one-half of the salary rate that his/her employment would warrant. While on sabbatical leave, a teacher shall not be engaged in full time employment for compensation.
- 8-7.07 Every teacher who is granted a sabbatical leave must sign and fulfill a contract to return for one (1) year of service to the Woonsocket Education Department, or reimburse the department for the amount of salary granted during the leave. This provision shall also apply to a teacher who receives specialized training in excess of \$1,000.00 paid for by the Woonsocket Education Department.
- 8-7.08 To insure no loss of pay on the salary schedule, a teacher shall be reinstated in his/her former positions, including extra-curricular, providing the positions he/she left still exist. If the positions that he/she left do not exist, the teacher shall be placed in as nearly a comparable position as is feasible. Such leaves shall count for service on the salary schedule.
- 8-8.00 All requests for non-paid personal leaves of absence shall be submitted to the Superintendent of Schools in writing fifteen (15) work days prior to the commencement of such leave. These personal leaves shall be granted for periods up to and including one (1) year. Two consecutive personal leaves totaling more than one year will not be granted.

Section 9: Returning Policy

- 8-9.00 Written notification of intention to return to duty shall also be required of every teacher who has been granted a year's leave of absence for any reason. This notification shall be submitted to the Superintendent, or his/her designee, no later than February 1st preceding the school year for which return is requested. A teacher who has been granted less than a full year's leave of absence must provide written notification of intent to return to duty at least 20 calendar days prior to the expiration of leave. Failure to notify by the due dates will result in termination of employment.

Section 10: Military Leave

- 8-10.00 A regular teacher who is a qualified member of a branch of the Armed Services will be allowed a leave not to exceed fifteen (15) school days in any one (1) school year to receive military training with the Armed Services under the following conditions:
- 8-10.01 Evidence is shown that this obligation cannot be carried out at a time when school is not in session.
- 8-10.02 The teacher shall forward to the Superintendent of Schools notification of such duties at the earliest possible dates.
- 8-10.03 The teacher shall provide evidence that such training has been completed satisfactorily.
- 8-10.04 During such leaves, a teacher shall receive the difference between schedule pay and the compensation he/she receives from reserve training, if the latter is less than his/her regular salary. There shall be no loss of fringe benefits.

8-10.05 Payments under Section 8-10.04 shall be made only after official military pay vouchers are submitted by the teacher.

Section 11: Military Service

- 8-11.01 If a regularly employed teacher should be called to service in the Armed Forces of the United States, a leave of absence without pay and fringe benefits shall be granted to cover the period of military service, not to exceed the term for which he/she was called.
- 8-11.02 Upon completion of such obligation, the teacher shall be reinstated to the positions that he/she left, providing the positions that he/she left still exist. If the positions that he/she left do not exist, the teacher shall be placed in as nearly a comparable position as is feasible.
- 8-11.03 The teacher's contract shall be in effect under the same conditions as if the teacher had been in the continuous service of the Woonsocket Education Department provided the teacher has been discharged with a certificate denoting satisfactory completion of service.

Section 12: Teacher Protection

- 8-12.01 A teacher who is absent because of personal injury arising out of and in the course of employment as the result of assault and battery shall be credited with leave in addition to that sick leave credited to him/her at the time of injury. A Workers Comp claim shall be filed if the injury results in more than a ten-day absence.
- 8-12.02 The teacher must notify the school department in writing as soon as possible, but not later than five (5) days from the date of the alleged injury. Such notification shall include the date of alleged injury and all circumstances in connection therewith.
- 8-12.03 In the event a teacher is absent as a result of an assault and battery sustained in the course of his/her employment, he/she shall be required to submit medical evidence from a licensed physician indicating the reason for such absence.
- 8-12.04 The principal and superintendent, or his/her designee, shall comply with reasonable requests from the teacher for relevant information in the department's or committee's possession not privileged under law concerning the person or persons involved.
- 8-12.05 Assistance in assault cases: Whenever it is alleged that a teacher has assaulted a person or that a person has assaulted a teacher, the principal and/or superintendent, or his/her designee, shall cooperate with the teacher involved in the investigation of the incident.
- 8-12.06 No teacher accused of assaulting a person shall be suspended from his/her duties, unless said suspension is in accordance with Article IX, Section 15: Teacher Suspensions.

Section 13: Reimbursements

- 8-13.00 The Woonsocket Education Department shall reimburse teachers for the reasonable cost, not to exceed two hundred dollars (\$200.00), of any clothing or personal property damaged, destroyed, or lost as a result of an assault suffered by a teacher while acting in the discharge of his/her duties within the scope of his/her employment, provided such damage, destruction, or loss was not due to the teacher's negligence. The school department shall have the right to receive proof of loss.

ARTICLE IX - Working Conditions

Section 1: Calendar and Hours

- 9-1.01 It is agreed that the school calendar shall be developed by the Committee.
- 9-1.02 The Guild shall be allowed to meet with the Superintendent or his/her designee, to discuss the school calendar prior to its adoption.
- 9-1.03 The Committee agrees that formal adoption of the calendar shall take place by May 1st.
- 9-1.04 The maximum hours of the school day and the number of school days shall coincide with the minimum established by the RI Board of Education. Should the State of Rhode Island and/or Federal Government alter the school hours or number of school days in Woonsocket beyond the 2005-2006 total, compensation relative to Section 9-1.04 shall be proportionate

to a teacher's per diem rate. The teacher work year shall consist of 180 student days, two (2) evening parent visitation meetings, and an orientation day. The standard school day shall be not less than five and a half (5 ½) hours (three hundred thirty (330) minutes) of actual school work excluding lunch, recess periods, common planning time, pre and post school teacher time and any other time that is not actual instructional time. The kindergarten day shall be not less than two and three quarter (2 ¾) hours (one hundred and sixty-five (165) minutes) of actual school work, excluding recess and any other time that is not actual instructional time.

All certified educators in the Woonsocket Education Department shall participate in at least 10 (ten) hours of professional development and one (1) professional development day annually. All professional development will be as identified by the district. Failure to complete the additional hours may result in the Superintendent's letter of reprimand and, depending upon circumstances, may include loss of pay at the per diem rate and may constitute insubordination.

9-1.05

Professional Development Hours Criteria:

The focus of professional development hours should be based on the current data from test scores, SALT or NEASC visits, strategic plan and school improvement action plans, and teacher evaluation recommendations from evaluation system recommendations. The professional development offerings of the Woonsocket Education Department, the June Summer Academy (these hours count toward the next academic year), the AFT ER&D and QUEST workshops, R.I.D.E.-sponsored workshops after school hours, and pre-approved study groups can apply toward the annual professional development hours. If a faculty or staff member serves as a trainer in an approved workshop, those training hours will count towards the annual professional development hour requirements for one time only. Those participants in workshops, who are being compensated for attending the workshop, will not be able to have those hours count toward their annual professional development hours. Any other professional development program requires pre-approval from the Professional Development Coordinator in order for it to count toward their annual professional development hours. The professional development shall not be during school hours in order for those hours to count towards the professional development requirement. All offerings of professional development will be approved by the district and take place over the school year. Teachers may complete professional development in any of the following ways:

Professional Development day and 10 extra hours that can be accomplished by:

- ***District approved study groups***
- ***District approved offerings held on regular basis (after school, summer, Saturday)***
- ***District approved workshops and conferences***

Professional Development day and 20 hours of standing committee work including:

- ***School Improvement Team***
- ***Subcommittees of SIT designed based on action plans***
- ***Response to Intervention Teams***
- ***Principal-sanctioned committees re: Graduation by Proficiency and Personalization***

Professional Development day and 10 hours or more of training that leads to a certification as a presenter or facilitator. Superintendent or designee must approve the placement, and if training occurs during a regularly scheduled school day, the educator must take a Personal Day if they want the training to count as professional development hours.

Two professional development days will be offered by the district; each educator must attend one. Failure to complete at least one professional development day will result in raising the professional development hours required for that year to forty (40) unless specifically waived by the Superintendent.

Any appeal of a denial can be sent to the Professional Development Board, comprised of three (3) representatives from the administration and three (3) representatives from the Guild. This Board will convene on an as-needed basis.

Any employee who completes the annual professional development hour requirement will thereafter be compensated for approved professional development hours according to established guidelines.

Documentation of the professional development hours can be submitted on a regular basis throughout the school year to the Professional Development Department. Final documentation, however, must be submitted no later than May 15 in order for it to count for that academic year. Exceptions to this requirement must be appealed in writing to the Professional Development Board.

Section 2: Duty Schedules

9-2.01 Every teacher in the Woonsocket Education Department shall have a duty-free lunch period equal in time to that provided for the pupils of the same school.

9-2.02 In the Middle and High Schools it shall be the policy to establish a yearly rotation of duty schedules so that no teacher shall have a duty for two successive years, unless otherwise agreeable to the teacher.

Section 3: Storage

9-3.00 A desk and a clothing locker shall be available to each teacher, and where physical facilities allow, space where the teacher may safely store instructional materials and supplies.

Section 4: Parking

9-4.00 Provisions shall be made as soon as possible for proper and adequate parking facilities for teachers near their schools. However, the School Committee shall incur no costs for parking facilities for teachers in any new facility rented or leased after the date of this Agreement.

Section 5: Class Size Objectives

9-5.01 No subject class in the elementary schools shall exceed twenty-five (25) pupils.

9-5.01a The maximum cluster size at the Middle School will be 112. Clusters referenced above consist of teams of four teachers each.

9-5.02 No subject class in Woonsocket High School shall exceed thirty (30) pupils.

9-5.02a Classes at the Career Center may not exceed a 16:1 student/teacher ratio in any existing areas except Child Care, Networking, and Health Occupations in which the ratio may be 20:1. Hospitality and Computer related courses, such as word processing may have a ratio of 25:1. In two-teacher shops, the ratio should not exceed 32:2 for any class with the exception of Child Care.

9-5.03 Overages will be based on the roster of students, and teachers will submit the required paperwork on a quarterly period in which the overage occurs.

An acceptable reason for exceeding the maximum class size **objective** listed above may be one of the following:

- a. There is no space available to permit scheduling of any additional class or classes in order to reduce class size.
- b. Conformity to the class size objective would result in placing additional classes on the present schedule resulting in the extension of the length of the school day.

- c. A class larger than the maximum is necessary or desirable in order to provide for specialized or experimental large group instruction, or for the placement of pupils in a subject class of which there is only one in a grade.

Overages at the High School – Teachers at the high school shall be paid 25% of the contractual overage rate for each student whose enrollment is over the contractual class size **objective**. In the case of a self-contained special education teacher who has an overage in three instructional blocks, then that self-contained teacher shall receive 100% of the contractual overage objective. However, if a student in that teacher's class creates an overage in the 4th block, then the second teacher shall be paid 25% of the contractual overage rate and the primary teacher shall be paid 75% of the contractual overage rate.

Overages at the Middle School – Teachers at the middle school shall be paid 1/7th of the contractual overage rate for each student whose enrollment is over the contractual class size **objective**. In the case of a self-contained special education teacher who has an overage in at least five instructional periods, then that self-contained teacher shall receive 100% of the contractual overage limit. However, if a student in that teacher's class creates an overage in any other period, no other teacher shall be paid any portion of the contractual overage rate. In the case where two self-contained special education teachers share the joint responsibility for the combined enrollment of two classes, then the above shall apply, and each self-contained special education teacher shall receive 50% of the overages as described above.

Overages at the Elementary Schools – Self-contained AND inclusion classroom teachers at the elementary level shall be paid the contractual overage rate for each student whose enrollment is over the contractual class size **objective**. No other overages shall be paid.

9-5.04 Both parties affirm the necessity of reducing concentrations of slow learners in classes. Therefore, a joint board composed of two administrators and two union representatives will act as a review board in all cases to make a recommendation to the Superintendent, or his/her designee, in order to correct the various case situations. Should these recommendations not be implemented, the Superintendent, or his/her designee, must inform the Committee in writing of his/her reason(s) for the rejection of their recommendations.

9-5.05 The administration shall make every effort to adhere to the class size **objectives** specified herein by October 1 of each school year. Should class size objectives exceed contractual **objectives** after that date, teachers shall be compensated on a ratio of 1:n with n equal to the specific ratio of that class size **objective**. No class will be exceeded by more than two (2) students. However, the School Committee shall create new classes when necessary.

In the event that a Special Education class exceeds its regular size **objective** due to lack of classroom space, the receiving teacher will be compensated using the following formula. As soon as sufficient numbers exist for a new class, such class will be created and extra compensation will be stopped.

Formula:

1/7th day's salary for a **specialized classroom (Formerly known as Medically Fragile or Severe and Profound)**.

1/11th day's salary for Self-Contained student

1/8th day's salary for integrated special needs student or 1/13 for regular education student

1/11th for special needs or 1/25th for regular education student per teacher's day salary for Inclusion. This stipend shall be divided equally by both teachers in that room.

Recommended caseloads for resource teachers is 31 direct service students and 6 response interventions and with a minimum of 45 hours of direct instructional time.

In the event a resource teacher has a caseload exceeding 31 students and 6 response interventions and 45 hours of direct instruction, the teacher shall be compensated at his/her contractual hourly rate for all hours in excess of 45.

Recommended caseloads for speech/language pathologists, occupational therapists, or physical therapists is 41 direct service students and 6 response interventions and with a minimum of 45 hours of direct instructional time.

In the event a speech/language pathologist, occupational therapist, or physical therapist has a caseload exceeding 41 students and 6 response interventions and 45 hours of direct instruction, the pathologist shall be compensated at his/her contractual hourly rate for all hours in excess of 45.

The Woonsocket Teachers' Guild supports the above procedure with the understanding that it is only a temporary solution and should not be continued as a permanent policy.

In the event that special needs enrollment is less than eleven (11) students in an inclusion class, additional regular education students may be added to the class up to the maximum class size allowed at that grade level with no additional compensation.

Section 6: Written Policies

9-6.00 All policies, practices, rules and regulations which teachers are expected to observe and/or carry out must be written and distributed to each school and be made available to every teacher who wants to peruse them.

Section 7: Programming

9-7.01 A planning or preparation period may be provided each teacher in the high school and middle school during each school day.

9-7.02 All high school teachers shall be programmed for no more than twenty-five (25) standard periods of classroom teaching per week. On the average, high school and middle school teachers shall be provided 45 minutes of preparation time per day. - C-1.07 For all of the above, the teacher shall be entitled to the stipend provided the teacher uses his/her vehicle to travel from school to school.
- C-2: Job Sharing**
- C-2.01 In the event that an employee wishes to share his/her position, he/she must submit a written request to do so to the Superintendent of Schools not later than June 1 preceding the school year for which he/she wishes to job share.
- The Superintendent, or his/her designee, will meet with the teacher making such a request to determine the working hours and teaching schedule being requested. The Superintendent will then recommend the working hours and teaching schedule to be posted for the remainder of the position to the School Committee for its approval.
- The Guild will be advised of any such positions.
- The granting of such job sharing is at the sole discretion of the School Committee.
- When two teachers share a position, the cost for fringe benefits, personal days, sick days, or any other leaves will not exceed what it would cost the School Committee to hire one person.
- The Superintendent will solely determine the allocation of fringe benefits.

APPENDIX D

- D-1: Longevity Pay**
- Certified personnel with 10-14 years of service, the last 5 of these years in Woonsocket, will receive \$400.00; those with 15-19 years of service, the last 10 of these in Woonsocket, will receive \$600.00; those with 20-24 years of service, the last 15 of these in Woonsocket, will receive \$1,000; those with 25 or more years of service, the last 20 of these in Woonsocket, will receive \$1,400.00. During the 2008-2009 school year and thereafter, people with 25-29 years of service, the last 20 of these in Woonsocket, will receive \$1,700.00; 30 or more years of service, the last 25 of these in Woonsocket, will receive \$1,850.00.
- Years credited under the ERSRI for non-contractual substitute teaching time shall not be applicable toward the payment of longevity.

APPENDIX E

- E-1.01 Retirement Incentive**
- For all persons covered by this agreement who retire after June 30, 1997, and who, upon retirement, have twenty-eight (28) years or more of employment, which have been credited under the RI Retirement System, twenty (20) years of which are with the Woonsocket

Education Department, the Woonsocket Education Department shall provide the individual medical insurance plan that is in effect for teachers. The Woonsocket Education Department shall pay the cost of this individual coverage on a monthly basis, but only until the retiree attains age 65.

For all persons covered by this agreement who retire after June 30, 2000, and who, upon retirement, have thirty-two (32) years or more of employment, which have been credited under the RI Retirement System, twenty (20) years of which are with the Woonsocket Education Department, the Woonsocket Education Department shall provide the individual medical insurance plan that is in effect for teachers for the individual and either their spouse or one (1) child. The Woonsocket Education Department shall pay the cost of this individual coverage on a monthly basis, but only until the retiree attains age 65. For purposes of this contract, the child must be less than **26** years of age and otherwise deemed eligible for coverage under the Blue Cross definition/guidelines. If a child is deemed ineligible, the employee may purchase a family plan and pay the difference between the cost of a family plan and two individual plans.

For all persons covered by this agreement who retire after June 30, 2000, and who, upon retirement, have thirty-five (35) years or more of employment, which have been credited under the RI Retirement System, twenty (20) years of which are with the Woonsocket Education Department, the Woonsocket Education Department shall provide the family medical insurance plan that is in effect for teachers. The Woonsocket Education Department shall pay the cost of this family coverage on a monthly basis, but only until the retiree attains age 65

- E-1.02 Should the retiree obtain paid medical insurance coverage elsewhere; or be eligible for such coverage whether from another source of employment, coverage available under a spouse, or otherwise; or if this benefit becomes available through the RI Retirement System, the Woonsocket Education Department shall not have to provide and pay for this benefit. If thereafter the retiree loses this coverage, or becomes ineligible, or if this benefit becomes unavailable through the RI Retirement System, the retiree shall be eligible to receive this coverage again as soon as feasible after prior notice to the Woonsocket Education Department of such loss, ineligibility, or unavailability, provided the retiree is otherwise eligible.
- E-1.03 The retiree annually shall provide the Woonsocket Education Department with a written declaration of his/her current alternate coverage or the availability thereof from another source, or the absence of same. This declaration (which shall include the retiree's mailing address) shall be filed with the Woonsocket Education Department not later than August 1 each year. Failure to provide the required declaration by August 1 shall relieve the Woonsocket Education Department from having to provide and pay for this coverage for the retiree for that year and until compliance for future years.
- E-1.04 All persons covered by the above may purchase a family plan at the cost to the retiree of the difference between the individual and family plan.
- E-1.05 For a teacher to qualify for this benefit, the teacher must notify the Committee, in the form of an irrevocable letter of intent to retire, at least ninety (90) school days prior to the close of the school year. Teachers anticipating a mid-year retirement must notify the Committee, in the form of an irrevocable letter of intent to retire, within the first five scheduled teacher workdays of that school year.

Extenuating circumstances which prohibit any employee from providing the irrevocable letter of intent to retire shall, upon written receipt of a request to waive said provision, be referred to the Superintendent for review and determination.

The Superintendent of Schools may at his/her sole discretion waive the ninety (90) day requirement for submission of a letter of resignation, or the five (5) day requirement for a

mid-term resignation. If the teacher's written request for a waiver of these time limits is denied by the Superintendent, the sick leave bank can overturn the denial only if (1) the teacher's original written request to the Superintendent for a waiver of the time limit was filed not less than ninety days prior to the end of the school year, and not less than five days in advance in the case of a mid-year resignation; and (2) if the appeal to the sick leave bank is filed in writing not more than seven (7) days following the date of the Superintendent's written denial.

E-1.06 Teachers retiring after the close of the 2003 - 2004 school year who are eligible for Medicare and have 35 years of service, 25 of those years as a teacher in the Woonsocket Education Department, shall be provided with Plan 65 coverage with an additional prescription rider, subject to an employee contribution toward the cost of such coverage. The rate of the employee contribution towards the cost of Plan 65 coverage commencing after June 30, 2005, shall be 15%.

E-2 **Retirement Incentive Clarifications**

For those teachers who commenced continuous employment before November 1, 1994, if after retirement the retiree is not able to obtain paid medical insurance coverage elsewhere and is not eligible for such coverage as provided in Appendix E, the W.E.D. will provide health insurance coverage for the retiree in accordance with the contract. The retiree will not have to co-pay. The W.E.D. will pay the co-pay incurred or required to be paid for pre 11/94 retirees who obtain medical insurance from an outside source either independently or through a spouse (sufficient proof of such co-pay shall be required). All retirees who commence continuous employment on or after November 1, 1994 shall pay whatever co-pay is incurred or required to be paid for the retiree to be covered by medical insurance whether such insurance is provided by the W.E.D. under contract, from another source of employment, from coverage available under a spouse, from coverage through the R.I. Retirement System, or from coverage otherwise available.

Individual, a second individual and/or family benefits plans end when retiree reaches or would have reached age 65. In the event that the retiree dies prior to his/her 65th birthday, a second individual or family benefit plan will continue but only (1) until such time as the retiree would have turned age 65 or (2) until such time as benefits are obtained by or become available from another source to the surviving spouse or child, whichever occurs first; provided further, the surviving spouse and/or child must comply with the provisions of Appendix E-1.

APPENDIX F – Innovation

The School Committee and the WTG agree that the professional staff is and should continue to be a major source of development and innovation in improving the educational programs carried on in the schools. The WTG shall work toward increasing flexibility within contract parameters to promote an improved instructional process.

Upon formation of some new or innovative educational plan, individual schools, grades or groups of teachers can ask to be exempted from necessary contractual articles and/or School Committee Department policies. Permission for requested exemptions may be granted by the joint agreement of the WTG and the School Committee.

An evaluation of each new and/or innovative program will be done at the end of each cycle and at that time will be reviewed jointly by the WTG and the School Committee for either continuation or termination.

APPENDIX G – Sick Leave Pool

Section G-I: Creation

- G-1.01 Any tenured member of the bargaining unit who wishes to be a member of the sick leave pool, shall donate one (1) sick day per year of membership. These days will not impact the sick day bonus account language (8-4.02). At the sole and absolute discretion of the Superintendent, non-tenured teachers may be eligible to apply to the Sick Leave Pool under extraordinary and unforeseen circumstances; however, the Superintendent's decision shall be non-reviewable, not subject to challenge as being arbitrary or capricious, and not subject to the grievance and arbitration process or any other challenge, legal or otherwise. Commencing the year following the use of sick time granted through the pool, non-tenured teachers shall have three (3) days per year deducted from their contractually provided fifteen (15) days per year. This reduction will only be implemented until such time as the borrowed days have been returned, thereafter, the original contract language shall prevail. Non-tenured teachers allowed to participate in the Sick Leave Pool shall donate one (1) sick day per year of membership. Separate pools shall be maintained and operated for teachers and paraprofessionals.
- G-1.02 Days contributed to the pool by the above mentioned individuals in the Woonsocket School Department shall be considered aggregated and non-returnable, and will remain in the pool as long as the said pool continues to operate. If, however, the members at some future date wish to terminate the existence of the pool, all unused days will be returned to the members in a fashion decided upon by the pool's Board of Governors.
- G-1.03 Teachers will be limited to draw from the sick leave bank only up to the number of days they have accumulated as of the first day of school of the current year. Exceptions can be made by consent of the Governing Board.
- G-1.04 Members drawing from the bank must return 'borrowed' days from any accumulation made prior to severance from the system.

Section G-II: Administration

- G-2.01 The Sick Leave Pool shall be governed by a six (6) member Committee, three (3) appointed by the President of Local 951, and the remaining three (3) by the Superintendent.
- G-2.02 This Committee shall be called the Sick Leave Pool BOARD OF GOVERNORS, and its members shall serve for three (3) years. Members may be re-appointed. Vacancies occurring during a term will be filled by appointment.
- G-2.03 The members of the BOARD shall elect one of their own members to serve as Chairperson, also for a period of three (3) years.
- G-2.04 The Chairperson will maintain all records of the pool and shall present an accounting of the pool's operation to the general membership at its annual June meeting. A copy will also be sent to the Superintendent.

Section G-III: Operation

- G-3.01 It is to be understood that the purpose of this pool is to provide extra sick days to those members suffering from a LONG TERM ILLNESS, but only after they have exhausted all of their own yearly, accumulated, and bonus sick leave.
- G-3.02 In order for a member to be eligible to draw from the pool, he/she must be a contributing member of the pool.
- G-3.03 Upon approval of these By-Laws by the Union Executive Board and the School Committee, all members will be asked within thirty (30) days from the date of approval, to fill out a form authorizing the Superintendent of Schools and the Woonsocket School Committee to withdraw two (2) sick days from his/her total sick leave, and to transfer these two (2) days to the Sick Leave Pool. In future years, only newly tenured personnel will be asked to fill out his/her form, and this must be done within thirty (30) days from the beginning of their first tenured year of employment in the Woonsocket School Department. A member who fails to join the Sick Leave Pool in accordance with these provisions shall forfeit all future use of the pool.

Section G-IV: Use of the Pool

- G-4.01 After a member has exhausted all of his/her own yearly, accumulated and bonus sick leave and if he/she then is out of school due to illness for five (5) consecutive days, he/she may apply in writing to the BOARD OF GOVERNORS for additional sick leave, to be drawn against the pool. This request must be accompanied by a letter from a certified medical doctor indicating that the member is unable to return to work.
- G-4.02 Upon receipt of this written request, the Chairperson of the BOARD OF GOVERNORS shall call a meeting of the BOARD to decide upon the request. If the BOARD decides, by majority vote, to award the requested leave, the award will be retroactive to the first day after which the member had exhausted his/her own sick leave. The member requesting this leave shall be informed, in writing, of the BOARD's decision.
- G-4.03 Once the sick leave has been granted, the member may continue to draw against the pool as long as he/she remains out of school provided that he/she submits a letter from his/her certified medical doctor every thirty (30) calendar days indicating that he/she is unable to return to work. This letter must be in layperson's terms and must include the doctor's estimate of a return to work date.
- G-4.04 If the member draws more than sixty (60) days from the pool, the BOARD OF GOVERNORS may ask the said member to submit to a physical examination given by a medical doctor selected by the BOARD and paid equally by the Union and the School Committee.
- G-4.05 If a school year ends and a member remains ill to the extent that he/she cannot return to work in September of the following school year, he/she must re-submit application for further sick days to the BOARD OF GOVERNORS.
- G-4.06 The maximum number of days allowed to be drawn by a member is one hundred and eighty (180) over the course of two (2) years.
- G-4.07 The BOARD OF GOVERNORS shall have the power to waive any of the above provisions when they feel the circumstances warrant such action.
- G-4.08 In the event of an appeal of a decision by the sick leave board, the Superintendent and the President of the WTG will appoint a six-member panel to serve as an appeals board.

Section G-V: Changes

- G-5.01 Any member who wishes to change or amend these By-Laws must submit the proposed changes, in writing, to the Union Executive Board, the Superintendent, and the BOARD OF GOVERNORS for approval.
- G-5.02 Once ratified by the Union membership and the School Committee, these By-Laws are not subject to change or amendment without the prior approval of the Union Executive Board, the School Committee, and the BOARD OF GOVERNORS.

APPENDIX H - Tenure

- H-1.00 The granting of teacher tenure is at the sole discretion of the Superintendent of Schools. Each teacher shall be treated as an individual, and circumstances surrounding each teacher shall be scrutinized by the Superintendent. Said circumstances shall include, but not be limited to, job performance (evaluation) and attendance. Absences, which are covered by the FMLA (e.g. maternity leave, etc.) shall be viewed with more latitude than normal day-to-day absences (de minimis standard), therefore waiving the "15% rule", which was previously implemented. The above terms and conditions may, at the Superintendent's discretion, be retroactive in the granting of tenure. Nothing in this language shall be inconsistent with the State teacher tenure law.

APPENDIX I – Retiree Health Benefits

AGREEMENT – May 11, 2011

WHEREAS, the parties are desirous of clarifying certain provisions of said contract as modified,

IT IS AGREED as follows:

2. For such three-year period commencing July 1, 2010 WSC shall pay deductibles, so called for all elective medical procedures for all retirees.
3. Active employees hired before November 1, 1994 who per contract were previously not required to pay toward the cost of medical coverage shall, commencing July 1, 2010, pay the same percentage of the cost of such medical coverage as employees who commenced continuous employment on or after November 1, 1994; provided, however, that upon retirement such employees hired prior to November 1, 1994 shall, unless otherwise modified by agreement of the parties, not be required to make any payment toward the cost of such medical coverage while eligible for such coverage during retirement.
