SECTION 2. There is hereby levied and ordered the assessment and the collection of a tax on the ratable real estate and tangible personal property and a tax on the registered motor vehicles and trailers in the Town of Narragansett between the sum of \$45,500,000 and the sum of \$48,500,000. Said tax is for ordinary expenses and charges, for the payment of interest and indebtedness in whole or in part of said Town, and for other purpose authorized by law. The assessor shall assess and apportion said tax on the inhabitants and ratable property of said Town as of the 31st day of December 2013 at the close of business, according to law, and the resulting tax roll, certified by the assessor, shall be delivered to the town clerk no later than the 30th day of June 2014. The town clerk on receipt of said assessment, shall forthwith issue and affix to said copy of warrant under her hand directed to the collector of taxes of said Town commanding her to proceed and collect said tax of the persons and estates liable therefore.

Real and personal property taxes upon assessed valuations determined by the Tax Assessor as of December 31, 2013 and taxes upon registered motor vehicles and trailers assessed upon valuations determined by the Tax Assessor as of December 31, 2013, shall be due and payable on and between the 1st of July and the 31st day of July 2014. All taxes remaining unpaid after said 31st day of July 2014 shall carry until collected a penalty at the rate of twelve (12%) percent per annum upon each unpaid tax; provided, however, as follows:

Except as provided for below, said tax may be paid in quarterly installments, the first installment of twenty-five(25%) percent on or before the 31st day of July 2014 and the remaining installments as follows:

Twenty-five (25%) percent on or before the 31st day of October 2014
Twenty-five (25%) percent on or before the 31st day of January 2015
Twenty-five (25%) percent on or before the 30st day of April 2015

Each installment of taxes, if received by the Tax Collector on or before the last day of each installment period successively and in order, shall be free from any charge for interest.

Installment periods are the months of July, October, January and April. When the last day of an installment period falls on a weekend, then the following Monday will be considered the last day, however, for walk-in payments only.

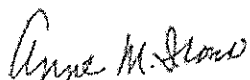

If the first installment or any succeeding installment of taxes is not received by the Tax Collector by the last day of the respective installment period or periods as they occur, then the whole tax or remaining unpaid balance of the tax, as the case may be, shall immediately become due and payable and shall carry, until collected, a penalty at the rate of twelve (12%) percent per annum from July 1st; provided, however, that any customer or taxpayer who had forfeited the right to quarterly installments because of late payment of installments shall regain the right to quarterly installments for the balance of the fiscal year if the installment and interest due is paid in full.

Any interest due of less than one (\$1.00) dollar shall be waived.

First Reading read and passed in Town Council meeting legally assembled the 19th day of May, 2014.

Second Reading read and passed in Town Council meeting legally assembled the 2nd day of June 2014.
